III. TEST INFORMATION

1. **Check** the box that applies (§63.7(b)(2)):

- This is an initial notification of intent to conduct a performance test.
- My facility previously submitted a notification of intent to conduct a performance test; however, my facility isn't able to conduct the performance test at the previously scheduled time. Describe the circumstances that require you to change your scheduled performance test (optional):

2. **Complete** the following table for each affected source and type of control system that will undergo performance testing (§63.7(b)(1); 63.9(f)):

Source ID (optional)	Emission Point ID (if applicable) (optional)	Type of Control System (optional)	Control System ID (if applicable) (optional)	Type of Test (Initial or periodic)	Date Scheduled (mm/dd/yyyy)

3. **Have you** prepared a site-specific test plan for conducting the scheduled test that includes a test program summary, the test schedule, data quality objectives, and both an internal and external quality assurance (QA) program (§63.7(c)(2)(i))? [*Note: You do not need to submit the plan with this notification unless the Administrator has requested you to do so.*]

- Yes No

4. If you have prepared a site-specific test plan, do your **data quality objectives** include your pre-test expectations of the precision, accuracy, and completeness of the data (§63.7(c)(2)(i))?

- Yes No

5. If you have prepared a site-specific test plan, does your **internal QA program** include, at a minimum, the activities planned by routine operators and analysts to provide an assessment of test data precision (such as sampling and analysis of replicate samples) (§63.7(c)(2)(ii))?

- Yes No

6. If you have prepared a site-specific test plan, does your **external QA program** include, at a minimum, plans for test method performance audits (PA) during the performance test? Audit activities include an opportunity for on-site evaluation by the Administrator of instrument calibration, data validation, sample logging, and documentation of quality control data and field maintenance activities (§63.7(c)(2)(iii)).

- Yes No
