Re: Revocation of Air Quality Construction Permits
Interstate Power and Light Co. facilities

Dear Mr. Touba,

I am responding to your letters dated January 27, 2011 that requested the rescission of the following Air Quality Construction Permits.

Permit Number	Facility Number/Location
02-A-403-P	57-01-040/Sixth Street Generating Station
02-A-404-P	57-01-040/Sixth Street Generating Station
02-A-405-P	57-01-040/Sixth Street Generating Station
02-A-406-P	57-01-040/Sixth Street Generating Station
75-A-230-S3	64-01-012/Sutherland Generating Station
74-A-097-S2	03-03-001/Lansing Generating Station
74-A-098	03-03-001/Lansing Generating Station
74-A-177-S	23-01-014/M.L. Kapp Generating Station

Your letters stated that the equipment associated with the above-mentioned permits has been retired; making the above-mentioned permits no longer necessary. According to the provisions of the Iowa Administrative Procedure Act found at Iowa Code section 17A.18, you have a right to an evidentiary contested case hearing prior to license revocation. DNR will regard your specific request for permit rescission as a waiver of your rights under Iowa Code section 17A.18, unless you inform DNR in writing, within 30 days of your receipt of this letter, that it is not your intent to waive your rights under this provision.

Please call me at 515-281-8563 if you wish to discuss this matter or have any questions. If I do not hear from you within 30 days of your receipt of this letter, DNR will regard the permits bearing the above-mentioned numbers, as well as any previous permits for the equipment, as having been revoked. If the equipment is placed back into service, please contact the Department to obtain Air Quality Construction permits.
