

Funding Stormwater: The Next Great Challenge

Proposition 1 and Other State Grants

Joe Karkoski, Chief, Bonds Section
Division of Financial Assistance
State Water Resources Control Board

Storm Water Resource Plans

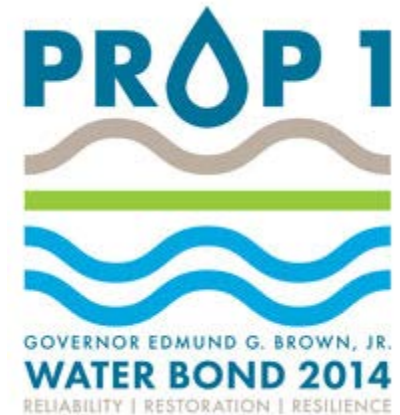

- ▶ Required for storm water and dry weather runoff capture projects to receive voter-approved bond funding ([State Water Board Guidelines – Senate Bill 985](#))
- ▶ Can be “Stand-alone” plan or built from other plans
- ▶ Watershed based – quantitatively prioritize projects
- ▶ Design projects to provide multiple benefits:
 - Water quality, water supply, flood control, habitat conservation, enhanced recreation/public use
- ▶ Consistent with recent regulatory approaches:
 - Viewing storm water as a resource
 - Encouraging multiple benefits
 - Supporting alternative MS4 permit compliance pathways

State Water Board

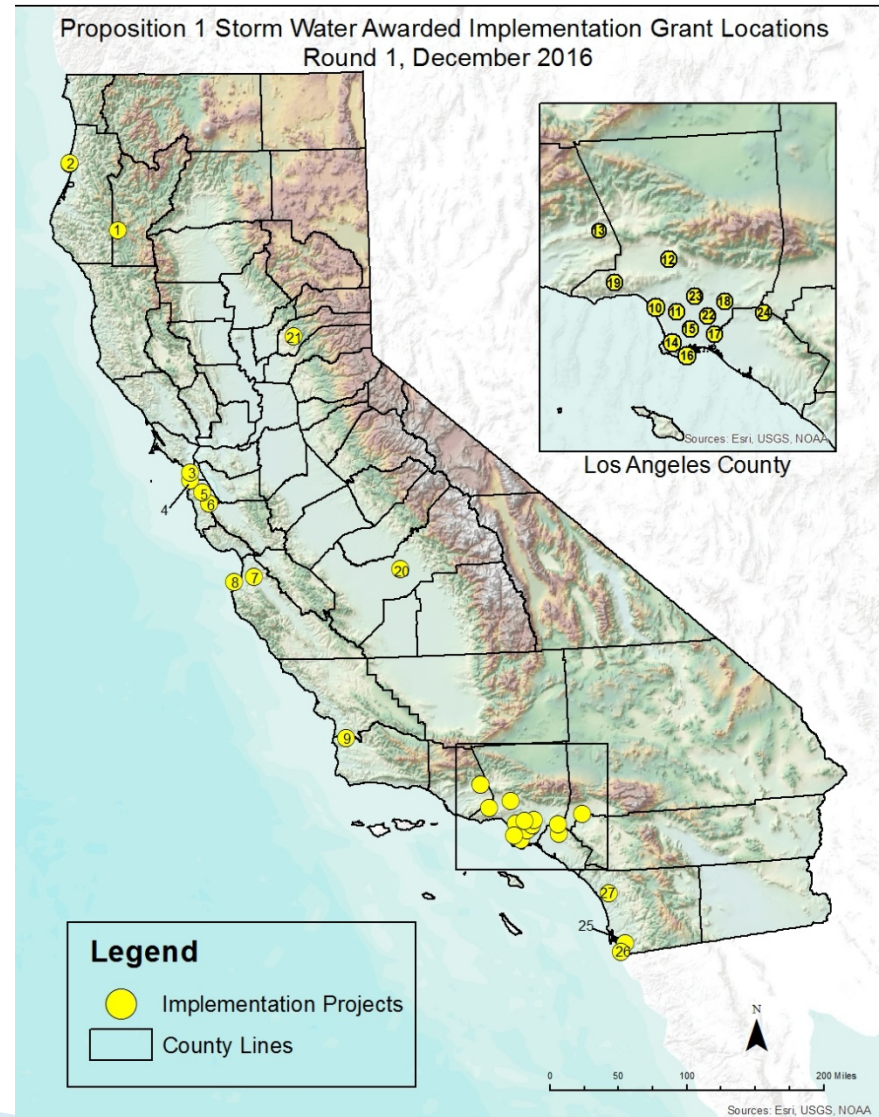

Storm Water Grant Funding

- ▶ State Water Board, Division of Financial Assistance
- ▶ Storm Water Grant Program – Proposition 1
- ▶ \$200 million in matching grants
- ▶ Prop 1 Planning Grants
 - Storm Water Resource Plans
 - Project Specific Planning
- ▶ Prop 1 Implementation Grants
 - Multiple Benefit Storm Water
 - Construction Projects

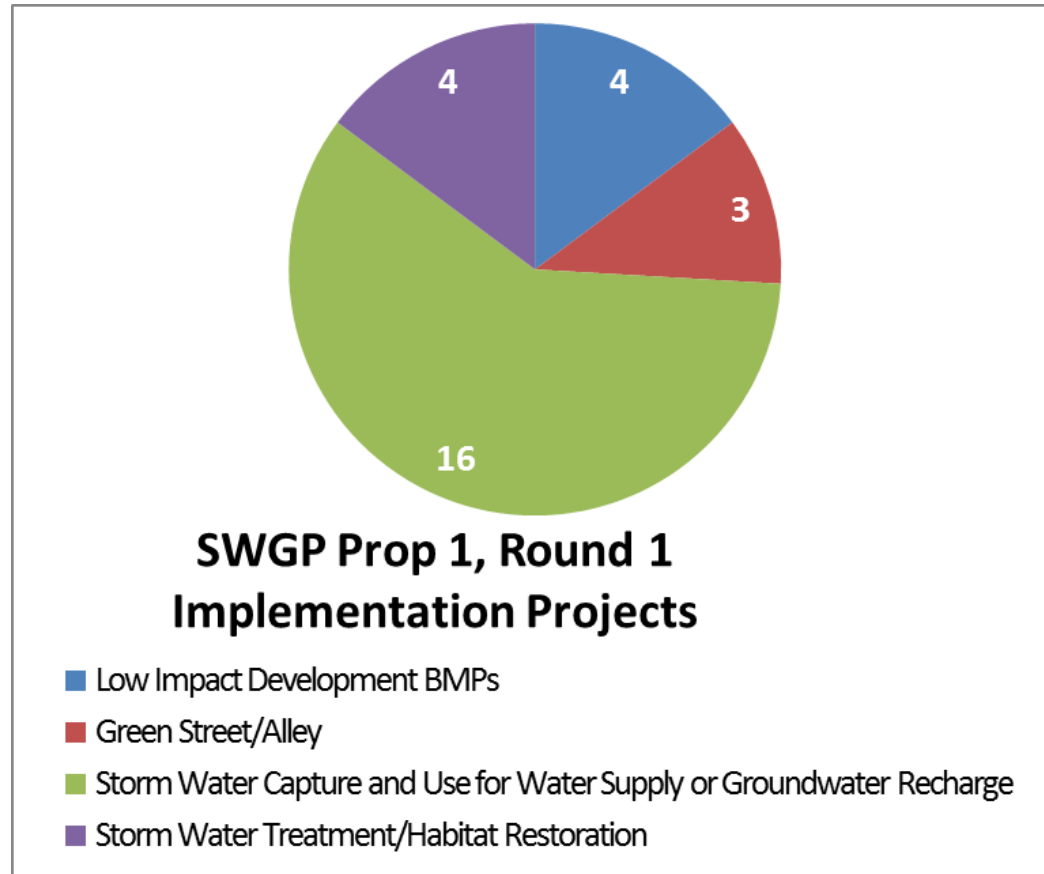

PROP 1 STORM WATER IMPLEMENTATION GRANT AWARDS

- ▶ Round 1 Solicitation awarded December 1, 2016; Over \$300M in requests
- ▶ 27 Projects:
 - \$80 million in Prop 1 funding
 - \$14.6 million in Clean Beaches Initiative funds
 - \$9.6 million in Areas of Special Biological Significance funds

PROP 1 STORM WATER IMPLEMENTATION GRANT AWARDS

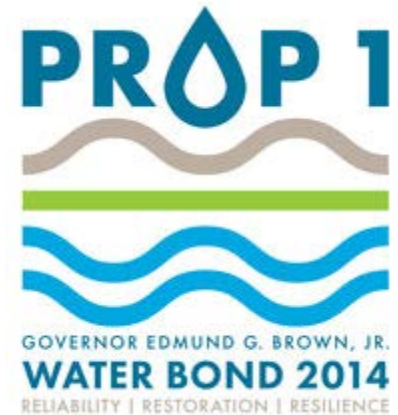

- Projected 25,000 acre-feet storm water and dry weather runoff captured for use, treatment, or infiltrated
- Pollutant load reduction, habitat restoration, flood protection, community space
- Over 50% of implementation directly benefits Disadvantaged Communities

State Water Board

Storm Water Funding Tips

- ▶ Ensure multi-benefit claims are accurate and well supported
- ▶ Provide sufficient budget detail to ensure costs are justified
- ▶ Provide all information needed to understand the project in the application (technical reviewers do not research your project)
- ▶ Take advantage of staff workshops/opportunities to get early feedback on project concepts

FUTURE FUNDING OPPORTUNITIES

- ▶ Prop 1 Technical Assistance for Small Disadvantaged Communities
- ▶ Prop 1 Round 2 Implementation
 - Approximately \$95 million of Prop 1 funding remains
 - Round 2 Solicitation opening anticipated Summer 2018
- ▶ Other State Agencies with Prop 1 Funding
 - Department of Water Resources (IRWM) – 2018
 - State Conservancies
- ▶ Natural Resources Agency Urban Greening Program – 2017
- ▶ Senate Bill 5 – California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 (pending legislation)
