

U.S. Environmental Protection Agency
CHILDREN'S HEALTH PROTECTION ADVISORY COMMITTEE
July 18–19, 2017
Holiday Inn Capitol
550 C Street SW, Washington, DC 20024
Call-In Number: 866-299-3188 Code: 751-067-2219#

Draft Agenda

Meeting Objectives

- Receive an update on EPA's Office of Children's Health Protection activities.
- Learn about efforts related to addressing the use of lead in aviation fuel.
- Review and discuss children's health issues related to drinking water.
- Understand the process of codifying Toxic Substances and Control Act implementation rules.
- Learn about progress on risk evaluations for the first ten existing chemical reviews under the Toxic Substances and Control Act.
- Receive an update and discuss latest developments on human health benchmarks for pesticides.
- Receive an update on progress on developing the federal lead strategy and communication plan of the President's Task Force on Environmental Health Risks and Safety Risks to Children.
- Review the EPA/NIEHS Children's Environmental Health and Disease Prevention Research Centers program.
- Understand how EPA and the Department of Housing and Urban Development are working on environmental reviews for public housing near contaminated sites.
- Learn about the EPA brownfields programs technical assistance and grant resources awarded to communities and community-driven efforts to address public health and children's health in communities.

Tuesday, July 18, 2017
