Summary of the Formal Public Participation Process

The U.S. Environmental Protection Agency, Region 6 (EPA) proposed to issue the initial Title V Operating Permit for Williams Four Corners, LLC – E & H Receiver. The public comment period on the draft permit began May 5, 2017, and closed on June 5, 2017. EPA announced the public comment period in accordance with 40 CFR § 71.11 on Region 6's website. In accordance with 40 CFR § 71.8, EPA also notified affected States and Tribal Nations with a letter dated May 4, 2017.

The Administrative Record for the draft permit, including the Statement of Basis and other supporting documentation relevant to the application, were available on Region 6's website and also available for viewing at the Jicarilla Public Library in Dulce, New Mexico.

EPA's public notice for the draft permit also provided the public with notice of the opportunity to request a public hearing. The public notice stated that "*Any request for a public hearing must be received by the EPA either by email or mail by June 2, 2017, and must state the nature of the issues proposed to be raised in the hearing.*" EPA did not receive any written comments concerning the draft permit during the comment period, and did not receive any written requests for a public hearing.

Revisions in Final Permit

There were no significant revisions to the final permit. Since no public comments were received, EPA will make the permit effective immediately in accordance with 40 CFR § 71.11(i)(2)(iii).
