This permit is subject to the following conditions.

1. That the source and any associated air cleaning devices are to be:
  - (a) operated in such a manner as not to cause air pollution;
  - (b) in compliance with the specifications and conditions of the plan approval issued under the same number;
  - (c) operated and maintained in a manner consistent with good operating and management practices.
2. This permit is valid only for the specific equipment, location and owner named above.
3. See attached:

Failure to comply with the conditions placed on this permit is a violation of Section 127.444. Violation of this or any other provision of Article III of the Rules and Regulations of the Department of Environmental Protection will result in suspension or revocation of this permit and/or prosecution under Section 9 of the Air Pollution Control Act.

Reissued: 05/17/99

*Joseph P. Pezze*  
Joseph P. Pezze  
Regional Air Quality Manager

**Special Conditions:**

3. This RACT Permit approves the RACT proposal for the continued operation of sources at the Consol Inc. Robena facility located in Monongahela Township, Greene County.
4. This facility is subject to the record keeping requirements of 25 PA Code §129.95.
5. VOC emissions from this facility shall not be in excess of 62 tons for a consecutive 12 month period.
6. Compliance with the emission limitations specified in this permit shall be determined through the annual submittal of a report detailing the emissions from the facility and the method of determining the emissions.
