March 9, 2018

The Honorable Vanessa Allen Sutherland  
Chairperson and Member  
U.S. Chemical Safety and Hazard Investigation Board  
1750 Pennsylvania Avenue, NW, Suite 910  
Washington, D.C.  20006

Dear Ms. Sutherland:

The Office of Inspector General (OIG) for the U.S. Chemical Safety and Hazard Investigation Board (CSB) plans to begin its risk assessment of CSB’s purchase card usage during fiscal year (FY) 2017. This audit is included in our annual plan and is an Office of Management and Budget requirement. The project number is OA&E-FY18-0147.

The audit objective is to perform a risk assessment of agency purchase card usage, as required by the Government Charge Card Abuse Prevention Act of 2012. The OIG plans to conduct fieldwork and, if necessary, perform site visits to CSB to obtain supporting documentation for purchases and payments. Applicable generally accepted government auditing standards will be used in conducting our audit. The anticipated benefits of this audit are improved operational efficiency and reduced costs.

We will contact your Audit Follow-up Coordinator to arrange a mutually agreeable time to meet with your staff to discuss our objective and the purpose of our project. We would also be particularly interested in any areas of concern that you may have. We will answer any of your questions about the project process, reporting procedures, methods used to gather and analyze data, and what we should expect of each other during the course of the project. Throughout the project, we will provide updates to the Audit Liaison on a regular basis through emails.

Please provide the following information electronically to OIG Project Manager Randy Holthaus before the kickoff meeting:

2. A complete list of all purchase card transactions for FY 2017.
3. A list of all purchase cardholders in CSB at any time during FY 2017.
4. A list of all purchase cardholders with authority to use convenience checks in FY 2017.
5. A list of all approving officials in FY 2017.
7. Copies of any new or revised policies/procedures (for example, board orders) for the use of purchase cards issued in FY 2017.
We respectfully note that the OIG is authorized by the Inspector General Act of 1978, as amended, to have timely access to personnel and all materials necessary to complete its objectives. We will request that you resolve the situation if a CSB employee or contractor refuses to provide requested records to the OIG or otherwise fails to cooperate with the OIG. We may report unresolved access matters in the *Semiannual Report to Congress*.

The project will be supervised by me, and Randy Holthaus will be the Project Manager. Any information related to the project should be addressed to me at (513) 487-2363 or davis.michaeld@epa.gov, or Randy Holthaus at (214) 665-6620 or holthaus.randy@epa.gov.

Thank you in advance for your cooperation.

Sincerely,

Michael D. Davis, Director  
Efficiency Audit Directorate  
Office of Audit and Evaluation
