Re: City of North Las Vegas Industrial Pretreatment Program  
DOJ Case Number 90-5-21-1-1143

Dear Mr. Polek:

As required by the Consent Decree (Civil Case No. 2:17-cv-02508, entered by Judge Gordon on November 27, 2017), I am submitting the following documents:

- Ordinance No. 2770 replacing Chapter 13.24, of the North Las Vegas Municipal Code pertaining to Wastewater Collection System
- Ordinance 2771 replacing Chapter 13.28 of the North Las Vegas Municipal Code pertaining to Regulation of Industrial Users; Industrial Pretreatment Program
- City of North Las Vegas Enforcement Response Plan dated July 13, 2016 and adopted by City Council October 5, 2016
- City of North Las Vegas Industrial Pretreatment Funding Plan Revised July 12, 2016
- City of North Las Vegas Local Limits Study, Final Draft dated February 9, 2016
- Industrial Pretreatment Interlocals with Clark County Water Reclamation District
  - Nellis Industrial Park (indirect connections)
  - Wastewater Service and Industrial Pretreatment (direct connections)
  - Individual Wastewater Interlocals (direct connections)
- CNLV Industrial User List

Please note that the Wastewater Service and Industrial Pretreatment Interlocal for direct connections is still in draft form. The City has been negotiating with Clark County Water Reclamation District for over two years and we are finally very close to a final agreement. In the interim, Clark County Water Reclamation District has 14 direct connections of commercial or industrial users located in the City of North Las Vegas. The City has approved sewer service interlocals for all 14 direct connections that require the customer to follow all rules and regulations of the CCWRD, which includes their pretreatment regulations.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Please contact me if you have any questions regarding this submittal.

Sincerely,

Randall E. DeVaul, P.E., Director  
Utilities Department
