**Subject:** Don't let NY Stop Western Progress!

Christian,

Chairman of the Senate Western Caucus, U.S. Senator Steve Daines, was joined by 15 leading members of the Senate Western Caucus calling for the confirmation of nominees important to the West.

New York Senator and Democrat Leader Chuck Schumer and his liberal elite friends in the Senate are hell-bent on holding up the West by blocking nominations for the new Interior Department leadership, which we in West need after the past 8 years!

Enough is enough! This anti-Western bias coming from New York and its liberal elites **MUST** stop!

We must object to the Senate filibuster on new leadership and tell New Yorker Chuck Schumer to stop holding up Western progress!

**Subject:** December 6th Event

Hi Mark,

Hope all is well. Hayley from our office shared your request and contact info about wanting to talk to us about the December 6th Event.

My colleague in Congressional Affairs Aaron Ringel (CCed) and I would be happy to connect with you and the team today if you can.

We can be available at 3pm? Would that work?

Best Regards,

Christian R. Palich
