Dear Chairperson Henry:

This letter is to inform you that the U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO) is resolving this complaint based on the enclosed Informal Resolution Agreement (Agreement) entered into between EPA and Genesee County (the County). On August 23, 2016, ECRCO accepted for investigation an administrative complaint brought under Title VI of the Civil Rights Act of 1964 (Title VI), Section 504 of the Rehabilitation Act of 1973 (Section 504), and EPA's nondiscrimination regulation at 40 C.F.R. Part 7, which alleged that the County engaged in discrimination based on race, national origin, including limited-English proficiency (LEP), and disability. The complaint was assigned EPA Complaint No. 18RD-16-R5. Specifically, the issues accepted for investigation were:

1. Whether Genesee County discriminated against the complainant and other similarly situated individuals in Flint, Michigan, on the bases of race, national origin, including LEP, and disability with respect to the administration of the Safe Drinking Water Act of 1974, including public notification and involvement; and
2. Whether Genesee County discriminated against individuals in Flint, Michigan on the bases of race, national origin, including LEP, and disability by failing to have in place procedures for addressing compliance with the nondiscrimination requirements of EPA's nondiscrimination regulation.

During the course of EPA's investigation, the County agreed to enter into an Informal Resolution Agreement in order to resolve EPA Complaint No. 18RD-16-R5. The enclosed Agreement is entered into by EPA pursuant to the authority granted to EPA under the federal nondiscrimination laws, including Title VI, Section 504 and 40 C.F.R. Part 7. It resolves EPA Complaint No. 18RD-16-R5. It is understood that the Agreement does not constitute an

admission by the County of any violation or a finding by EPA of compliance or noncompliance with applicable federal non-discrimination laws and regulation.

The enclosed Agreement does not affect the County's continuing responsibility under Title VI, Section 504, 40 C.F.R. Parts 5 and 7 and other federal nondiscrimination laws, nor does it affect EPA's investigation of any Title VI or other federal civil rights complaints or address any other matter not covered by this Agreement. This letter sets forth EPA's disposition of the complaint. This letter is not a formal statement of EPA policy and should not be relied upon, cited, or construed as such.

EPA is committed to working with the County as it implements the provisions of the Agreement. If you have any questions regarding the Agreement between EPA and the County, please contact me at (202) 564-9649, by e-mail at [dorka.lilian@epa.gov](mailto:dorka.lilian@epa.gov), or U.S. mail at U.S. EPA, Office of General Counsel, External Civil Rights Compliance Office (Mail Code 2310A), 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460.
