Dear EPA and USACE:

I have been asked by the Pyramid Lake Paiute Tribe's Tribal Council to request an individual consultation with the United States Environmental Protection Agency (EPA) and the United States Army Corps (Army) of Engineers regarding the proposed Waters of the United States (WOTUS). As today's announcement indicates the EPA and Army are continuing to consult with tribes, and if you are interested in requesting consultation on the proposed rule to please contact the agencies at this email to make arrangements.

The Pyramid Lake Paiute Tribe is hereby requesting consultation with the agencies on the proposed rule for the revised WOTUS definition. Please contact me for information to make the arrangements.

If you require a request directly from our Tribal Chairman, please let me know so those arrangements can be completed and submitted.

I look forward to hearing from you. Thank you.

Sincerely,

Mervin Wright Jr.
