

## Tips for Submitting Brownfields Grant Applications Through [www.grants.gov](http://www.grants.gov)

- Register NOW! There is a 5-step registration process outlined below. The process to obtain a DUNS number and/or register in [www.sam.gov](http://www.sam.gov) can take a month or more. Further details and assistance can be found at <http://www.grants.gov/web/grants/applicants/organization-registration.html>.
  1. Obtain a DUNS number, a unique 9-digit identification number, for your organization.
  2. Register with SAM (the System for Award Management) at [www.sam.gov](http://www.sam.gov); use the correct DUNS number. **If you are already registered with [www.sam.gov](http://www.sam.gov), make sure your account is active.**
  3. Complete an AOR (Authorized Organization Representative) profile, and create a username and password in [www.grants.gov](http://www.grants.gov); using the correct DUNS number.
  4. Become an authorized AOR by requesting approval from your organization's E-Business Point of Contact (E-Biz POC).
  5. Track the AOR status by logging into [www.grants.gov](http://www.grants.gov).
- Obtaining a DUNS number and registering in [www.sam.gov](http://www.sam.gov) are both free of charge. Please be advised, some companies may offer to register your organization for a fee. If you choose to use one of these companies, any fee you incur is not reimbursable with brownfields grant funds.
- Use the same, 9 digit DUNS number in [www.sam.gov](http://www.sam.gov), [www.grants.gov](http://www.grants.gov), and on the application forms.
- The approved Authorized Organization Representative must be the person who submits the application package in [www.grants.gov](http://www.grants.gov). (The AOR is the person within the applicant's organization that will submit the grant application through [www.grants.gov](http://www.grants.gov), even if other individuals (within or outside of the applicant's organization) prepared/wrote the grant.)
- EPA recommends combining the Narrative Information Sheet, the Narrative, and associated attachments into a single file. Attach the single file to the Project Narrative Attachment Form. This will ensure that EPA receives your entire submission and the submission is in the order that you intended.

Additionally, applicants will be required to complete the following federal forms in order to submit the application through [www.grants.gov](http://www.grants.gov):

1. Application for Federal Assistance (SF-424)
  2. Budget Information for Non-Construction Programs (SF-424 A)
  3. Preaward Compliance Review Report (EPA Form 4700-4)
  4. EPA Key Contacts (Form 5700-54)
- Do not submit password-protected files.
  - Make PDF files searchable by creating the PDF from its source document (e.g., a Microsoft Word file). Searchable PDF files make it easier for reviewers to review your narrative. The easiest way to do this is to use the "Create PDF/XPS Document" feature, found under the Export Tab.
  - Submitting an application through [www.grants.gov](http://www.grants.gov) does NOT automatically mean [www.grants.gov](http://www.grants.gov) accepted the application or that EPA received the application. **Submit your application at least two to three days early.** By submitting your information early, you will have time to find out if your application has been received, is free of errors, and is accepted by the [www.grants.gov](http://www.grants.gov) system before the deadline.
  - After signing and successfully submitting the application package, within 24 to 48 hours the AOR should receive a series of notification emails from [www.grants.gov](http://www.grants.gov) with the following subject lines:
    - 1. GRANT##### Grants.gov Submission Receipt**  
Indicates [www.grants.gov](http://www.grants.gov) (not EPA) received the application package and assigned a tracking number.
    - 2. GRANT##### Grants.gov Submission Validation Receipt for Application**  
Indicates [www.grants.gov](http://www.grants.gov) either validated and accepted the application package, and the application is free of errors, OR that [www.grants.gov](http://www.grants.gov) did not accept the application package due to errors which need be resolved.

**Your application package has not been accepted until you receive an email stating that it has been successfully validated.**

### **3. GRANT##### Grants.gov Grantor Agency Retrieval Receipt for Application**

Indicates EPA retrieved the application package from [www.grants.gov](http://www.grants.gov).

### **4. GRANT##### Grants.gov Agency Tracking Number Assignment for Application**

Indicates EPA assigned an EPA tracking number to the application package.

If the AOR did not receive any of the notification emails listed above, contact the [www.grants.gov](http://www.grants.gov) Help Desk at 1-800-518-4726.

- You can check the status of your application package anytime after submission by using the tracking link provided in the Submission Receipt email, or by logging into [www.grants.gov](http://www.grants.gov) using the “Applicants” link at the top of any page, and clicking on the “Check Application Status” link.
- Review instructions in Section IV.B. of the brownfields grant competition Request for Application (RFA) on how to submit the application package through [www.grants.gov](http://www.grants.gov). Additional information can be found at <https://www.grants.gov/web/grants/applicants/applicant-faqs.html>.
- If you experience transmission difficulties, please refer to Section IV.B. and Appendix 1 in the RFA for more information and contact the [www.grants.gov](http://www.grants.gov) Help Desk (1-800-518-4726).

### **Common Issues to Avoid When Trying to Submit the Application Package through [www.grants.gov](http://www.grants.gov)**

- Ensure that your files are not corrupt or forcing any errors before uploading them to [www.grants.gov](http://www.grants.gov).
- Ensure the file name(s) does not exceed 50 characters.
- Incorrect version of Adobe Reader – [www.grants.gov](http://www.grants.gov) supports Adobe Reader version DC through 11.x. For additional information on software compatibility, please visit <https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

### **Common Reasons for [www.grants.gov](http://www.grants.gov) Application Package Rejection**

- Applicant’s [www.sam.gov](http://www.sam.gov) account is inactive: You must log into your account at least once per year for your account to remain active. It’s easy to check your account status by going to [www.sam.gov](http://www.sam.gov) and entering your organization’s DUNS number.
- Applicant used the wrong DUNS number: Use the same, 9-digit DUNS number in [www.sam.gov](http://www.sam.gov), in [www.grants.gov](http://www.grants.gov), and on the application forms.
- The submitter is not the Authorized Organization Representative (AOR): Individuals submitting application packages on behalf of their organization must be the AOR, or use the AOR’s username and password. The organization’s E-Biz POC must authorize the individual as the AOR.
- The application was submitted with another organization’s account information: Applicant did not have an active [www.sam.gov](http://www.sam.gov) account and had another party submit an application package on their behalf. EPA considers the party submitting the application package as the applicant and will not accept applications on behalf of other organizations.
- The applicant is unsure if the application submitted successfully: When attempting to submit the application package, some applicants have reported their screen continuing to say “in progress.” Make sure you submit the application early to allow for any issues that may occur along the way. **Call the [www.grants.gov](http://www.grants.gov) Help Desk for FREE assistance at 1-800-518-4726.**
