

U.S. Environmental Protection Agency, Region 7, 11201 Renner Blvd., Lenexa, KS 66219
Iowa, Kansas, Missouri, Nebraska, and Nine Tribal Nations

Joe Davis, EPA Region 7 On-Scene Coordinator

June 23, 2020

“In 1993, that was pre-internet. That was pre-cellphones. That was pre-smartphone. We didn’t have these tools. So, we were basically running around with maps up and down the river and stopping at gas stations using payphones to call back to the office. That kind of thing. I think we just started coming out with bag phones. Back then we called them car phones.”
