Guidance on Purchasing EPEAT® Registered Products

Chemistry, Economics & Sustainable Strategies Division (CESSD)
Office of Pollution Prevention & Toxics (OPPT)
Office of Chemical Safety and Pollution Prevention (OCSPP)
U.S. Environmental Protection Agency
Introduction to EPEAT®
What is EPEAT®?

- The Electronic Product Environmental Assessment Tool (EPEAT)
- Helps purchasers evaluate, compare and select electronic products based on their environmental attributes
- Enables manufacturers to obtain market recognition through achievement of specific performance criteria in electronic product design and sales
- Managed by the Global Electronics Council (GEC)
What is EPEAT® Continued…

- A set of environmental performance standards for electronic products
- A registry of products that meet the standards
- A verification system to ensure that products have achieved specified performance criteria
What Products Does EPEAT® Cover?

- **Computers & Displays:**
  - Desktops, Notebooks (including two in one notebooks), Monitors/Displays (including Signage Displays), Integrated Desktop Computers, Workstation Desktops, Thin Clients, and Slates/Tablets

- **Imaging Equipment:**
  - Printers, Copiers, Multi-Function Devices, Scanners, Fax Machines, Digital Duplicators, Mailing Machines

- **Televisions**
- **Mobile Phones**
- **Servers**
- **Photovoltaic (PV) Modules & Inverters**
- **Network Equipment (coming soon)**
How are the Standards EPEAT® Uses Created?

- Developed through ANSI accredited Standards Development Organizations (NSF, UL, IEEE)
- Through an open, consensus based process
- Participation by manufacturers, suppliers, recyclers, academics, government representatives, purchasers, and environmental advocacy organizations
How are products rated in EPEAT®?

- Products must meet all required criteria to qualify for EPEAT.
- Products are rated Bronze, Silver or Gold based on how many optional criteria they meet.
Why Buy EPEAT® Registered Products?
Why Buy EPEAT® Registered Products?

• It’s required!
• Save the government money
• Reduce environmental and public health impacts of IT manufacture, use, and disposal
• Use the power of the federal pocketbook to drive change in the global marketplace
• Win an EPEAT Purchaser Award
# of products purchased Worldwide: **355,844,778**
# of products purchased by U.S. Federal Government: **27,407,830**

What is More Sustainable About EPEAT® Registered Products?

- Restricted substances in product
- Substance inventory
- Alternatives assessment
- Manufacturing energy efficiency
- Reporting on GHG emissions
- Renewable energy use
- F-GHG emissions in manufacturing
- Social performance & audits
- Worker health & safety
- Responsible mineral sourcing
- Corporate reporting
- Environmental management systems
- Recycled content
- Design for recycling
- Efficient water use in manufacturing
- Product take back & responsible recycling
- Material recovery targets
Feds are Required to Buy EPEAT® Registered Products

Per the Federal Acquisition Regulation (FAR) Part 23

- Requires acquisition of EPEAT® registered electronics (23.103A and 23.704)
- Contracting clause requires acquisition of Bronze registered products, alternate clause for Silver or higher
Finding and Procuring EPEAT Registered Products
What Is Considered An EPEAT® Registered Product?

- Products must be active EPEAT registered products at:
  - the time of bid submission
  - the time of award
  - the time of purchase
- Archived EPEAT registered products are not considered EPEAT registered products
EPEAT® Registered Products

For the purposes of compliance and reporting:

- Products count as EPEAT-registered if they had an active registration at the time of acquisition

What Dollar Threshold of IT Purchases Does the EPEAT® Requirement Apply to?

• ALL PURCHASES -- There is no statutory, executive order, or FAR threshold for purchases of sustainable products.

• FAR 13.201 (f) “The procurement requirements in subparts 23.1, 23.2, 23.4, and 23.7 apply to purchases at or below the micro-purchase threshold”.

Specify you want EPEAT registered products in all Task Orders!
Integrating EPEAT® Requirements Into Contracts
Using Existing Contracts

First check…

• Does your contract require vendors to provide EPEAT registered products?
• Do you need to specify that you want EPEAT registered products in task or delivery orders?
• Can EPEAT registration requirements be added to contract in upcoming technology refreshes or contract modifications?
Contract Clauses in the FAR

• FAR Part 23 requires acquisition of ALL EPEAT® registered electronic products (23.103A and 23.704)
• The FAR currently includes contract clauses for EPEAT registered Computers, Imaging Equipment, and Televisions
• Currently, there is no specific clause for Mobile Phones or Servers, but similar language can be used
• These clauses can be integrated in existing contracts via technology refreshes and added to all new contracts
FAR Contract Clause for Procuring EPEAT Registered Computer Desktops, Laptops, and Monitors

52.223-16 Acquisition of EPEAT Registered Personal Computer Products

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for contractor use at a Federally controlled facility, only personal computer products that at the time of submission of proposals and at the time of award, were EPEAT Bronze registered or higher.

(c) For information about EPEAT, see [www.epa.gov/epeat](http://www.epa.gov/epeat).

Alternate I (Jun 2014). As prescribed in 23.705(d)(2), substitute the following paragraph (b) for paragraph (b) of the basic clause:

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for contractor use at a Federally controlled facility, only personal computer products that, at the time of submission of proposals and at the time of award, were EPEAT Silver registered or gold-registered.
FAR Contract Clause for Procuring EPEAT Registered Imaging Equipment

52.223–13 Acquisition of EPEAT®- Registered Imaging Equipment.

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only imaging equipment that, at the time of submission of proposals and at the time of award, was EPEAT® bronze registered or higher.

(c) For information about EPEAT®, see www.epa.gov/epeat.

Alternate I (Jun 2014). As prescribed in 23.705(b)(2), substitute the following paragraph (b) for paragraph (b) of the basic clause:

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for contractor use at a Federally controlled facility, only imaging equipment that, at the time of submission of proposals and at the time of award, was EPEAT silver-registered or gold-registered.
FAR Contract Clause for Procuring EPEAT Registered Televisions

52.223–14 Acquisition of EPEAT®- Registered Televisions

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only televisions that, at the time of submission of proposals and at the time of award, were EPEAT® bronze registered or higher.

(c) For information about EPEAT®, see www.epa.gov/epeat.

Alternate I (Jun 2014). As prescribed in 23.705(c)(2), substitute the following paragraph (b) for paragraph (b) of the basic clause:

(b) Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only televisions that, at the time of submission of proposals and at the time of award, were EPEAT® silver-registered or gold-registered.
Sample Contract Language for EPEAT Registered Mobile Phones

- The FAR currently does not include a specific contract clause for Mobile Phones, however the FAR requires the procurement of ALL EPEAT registered electronics, including mobile phones.

**Acquisition of EPEAT®- Registered Mobile Phones**
Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only Mobile Phones that, at the time of submission of proposals and at the time of award, were EPEAT® bronze registered or higher. For information about EPEAT®, see [www.epa.gov/epeat](http://www.epa.gov/epeat).

**Alternate I:** Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only mobile phones that, at the time of submission of proposals and at the time of award, were EPEAT® silver-registered or gold-registered.

- See the [Mobile Services Category Management Team’s Mobile Devices Procurement Guidance Document](#)
Sample Contract Language for EPEAT Registered Servers

- The FAR currently does not include a specific contract clause for Servers, however the FAR requires the procurement of **ALL** EPEAT registered electronics, including servers.

**Acquisition of EPEAT®- Registered Servers**

Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only servers that, at the time of submission of proposals and at the time of award, were EPEAT® bronze registered or higher. For information about EPEAT®, see [www.epa.gov/epeat](http://www.epa.gov/epeat).

**Alternate I:** Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only servers that, at the time of submission of proposals and at the time of award, were EPEAT® silver-registered or gold-registered.

**NOTE:** check [www.epeat.net](http://www.epeat.net) to see the current list of EPEAT registered servers, see how many are bronze/silver/gold registered prior to selecting which contract clause to use.
Sample Contract Language for EPEAT Photovoltaic Modules and Inverters

• The FAR currently does not include a specific contract clause for Photovoltaic (PV) Modules and Inverters, however the FAR requires the procurement of ALL EPEAT registered electronics, including servers.

Acquisition of EPEAT®- Registered Photovoltaic Modules and Inverters

Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only servers that, at the time of submission of proposals and at the time of award, were EPEAT® bronze registered or higher. For information about EPEAT®, see www.epa.gov/epeat.

Alternate I: Under this contract, the Contractor shall deliver, furnish for Government use, or furnish for Contractor use at a Federally controlled facility, only photovoltaic modules and inverters that, at the time of submission of proposals and at the time of award, were EPEAT® silver-registered or gold-registered.

NOTE: check www.epeat.net to see the current list of EPEAT registered photovoltaic modules and inverters, see how many are bronze/silver/gold registered prior to selecting which contract clause to use.
Tracking Our Greener IT Purchases
Quantifying Value of Procuring More Sustainable Electronics

• Use the EPEAT benefits calculators to document cost savings and environmental benefits from procuring EPEAT registered products
• Include in Agency Sustainability Reports and Implementation Plans (SRIPs), share with management
Requirements in the FAR to Track EPEAT® Procurements

FAR 42.301 (a) (68) **Monitor** the contractor's **environmental practices** for adverse impact on contract performance or contract cost, and for **compliance with environmental requirements** specified in the contract. ACO responsibilities include—

- (i) Requesting environmental technical assistance, if needed;
- (ii) Monitoring contractor compliance with specifications or other contractual requirements requiring the **delivery or use of environmentally preferable products**, energy-efficient products, products containing recovered materials, and biobased products. This must occur as part of the quality assurance procedures set forth in Part 46.
“Suppliers are required to provide quarterly reports quantifying the number of EPEAT registered products purchased or leased under this contract. The information must be reported in a matrix providing the following data for the current quarter, the fiscal year, and the duration of the contract”.

C.6.9.6 EPEAT Report: The Contractor shall provide the EPEAT report on a quarterly basis. Each quarterly report shall quantify the number of EPEAT registered and non-EPEAT registered products purchased or leased under this contract for the specified quarter. Not all items must be reported. Items that must be reported include Desktop Computers, Monitors, Laptop Computers, Televisions, Multifunction Devices, and Printers. The information must be reported in the template form provided at Chapter D, Attachment 2, and submitted to the IDIQ COR and the IDIQ CO and cc to the DHS Environmental Program Manager at ocao-sustainabilityreports.hq.dhs.gov, no later than the 15th of the month following the quarter being reported on. If non-EPEAT registered products are sold and reported, a brief explanation of procurement background or justification shall be included in the report. An EPEAT report is not necessary if there were no purchases for that quarter.
When an ordering activity specifies personal computer products that are not EPEAT registered and suitable EPEAT products are available, the Contractor shall:

- Notify the requester of the requirement to purchase the EPEAT product; and
- Provide a suitable alternative(s) that meet the EPEAT registered requirements.
