Create a Report
Selecting the ‘Create a Report’ button (1) opens the ‘Select Report Type’ window where you select the type of report you intend to submit to EPA (Exhibit 2).

Exhibit 2

Click the Report Type you are submitting to launch the Create Report workflow (Exhibit 3). Two Create Report workflows are used: one for ERT (Performance Test / Evaluation) report submissions and one for Non-ERT report submissions. Both workflows consist of four steps with slightly different sequence of activities.

**View Submitted Reports**

Selecting ‘View Submitted Reports’ (3) or ‘CEDRI History’ (3a) brings you to the CEDRI History page (Exhibit 5). Clicking the table row of the target report opens the Report Details page where you can view and download submitted reports and report attachments (Exhibit 6).

For more information about viewing an individual submitted report, refer to the Report Details Job Aide.
Submission Search

The ‘Search’ function (4) is found on the CEDRI History page (Exhibit 7). To expand the filter panes, click the ‘Add/View Filters’ button to display the filters pane and to hide the filter pane (Exhibit 8), click the ‘Hide Filters’ button close the filters pane.

For more information about searching submitted reports, refer the CEDRI Search Job Aid.
Manage Facilities

Selecting ‘Manage Facilities’ (5) redirects you to the ‘Manage Facilities’ section (9) of the dashboard, where you can add and remove facilities from your profile, or edit facility and sub-facility information of facilities already in your profile (Exhibit 9).

**Note:** You no longer need to navigate to the MyCDX page to add and remove facilities from your profile. The Facility widget is now part of the MyCEDRI dashboard.

For more information about managing facilities, refer to the Manage Facilities Job Aide.

Reports Pending Signature & Reports Under Development

The ‘Reports Pending Signature’ panel (6) displays the number of reports completed but not yet signed and submitted to EPA, while the ‘Reports Under Development’ panel (7) displays the number of reports prepared but not yet marked as complete (i.e. ready for Certifying Official signature and submission to EPA) (Exhibit 10).

Clicking the View Reports link in either of these panels takes you to the existing ‘My Reports’ page, where you can view all reports that are under development and awaiting signature by a Certifier and submission to EPA. See the Create Reports Job Aide for details on creating, editing, and signing reports.

Exhibit 10
Manage My Profile

The ‘My Profile’ panel (8) displays CDX registration information about the logged in user (Exhibit 11). Clicking the ‘Manage My Profile’ link redirects you to the CDX My Profile page where you may edit profile information such as email address, organization, etc.
