Minnesota Pollution Control Agency, Performance Partnership Grant, Green Chemistry/Design, Healthcare, Stormwater integration, compliance/tech assistance	P2 technical assistance implemented at a dental office.	BG98568809-6	2008	2012	0.00	3.00	0.00	\$0
University of Wisconsin Extension Wisconsin Hospitals for a Healthy Environment	University of Wisconsin Solid and Hazardous Waste Education Center (SHWEC) grant supported formation of the Wisconsin Healthy Hospital Program, with Wisconsin Hospital Association to promote P2 implementation, information sharing and compliance assistance. Interns were placed at a number of hospitals to help derive results. Metrics based on recommendations to LED light fixtures and switching to reusable sharps containers.	NP00E27301	2007	2010	2.10	4,885.00	0.00	\$6,790
University of Wisconsin - Preventing Pollution in Wisconsin	University of Wisconsin SHWEC grant: Interns were placed at hospitals to perform P2 assessments and there was a continuation of the Wisconsin Healthy Hospitals Program. Results were reported from five hospitals, which identified waste reduction, and replaced single use blue wrap with re-useable sterile containers for 70% of their instruments.	NP00E96601	2008	2010	1,369.00	0.00	0.00	\$32,773

Michigan Department of Natural Resources and Environment Advancing P2 Partnerships	This grant focused on supporting Michigan Department of Environmental Quality staff to establish a voluntary P2 program, Performance results include 3 years of data not previously reported. Data was verified.	NP00E29101-1	2007	2010	10,671.00	3,910,474.00	268,516,621.00	\$10,298,981
University of Toledo, P2 Grant Project	This grant focused on developing a partner communication network between various technical assistance providers, the state Chamber of Commerce and the grantee. It also supported P2 technical assistance training seminars for industry, and placement of interns at manufacturing facilities. Also, a number of facility assessments were performed, to support implementation of P2 options.	NP00E90201	2009	2011	1,725.00	0.00	0.00	\$344,365
University of Wisconsin Board of Regents PW Grants Program	This grant focused on P2 in hospitals, facilities, governments and marinas. Interns were placed at hospitals, manufacturing facilities, and governments to support implementation of P2 practices. An intern performed compliance assistance at marinas and developed a best management practices manual. Gallons and costs reduced were from avoidance of wastewater treatment for facilities and business, and 10 marinas piloting BMP Clean Marina Guidebook using UWEX P2 reporting tool.	NP00E90301-0	2009	2011	1,651.00	0.00	6,698.00	\$189,100
Illinois Sustainable Technology Center, Illinois Conservation of Resources and Energy, Technical Assistance, wastewater treatment facilities & businesses	This grant provided technical assistance to businesses, water producers, and wastewater treatment operations on how to conserve water, save energy, reduce materials usage and reduce pollution. P2 assessments were held at a number of facilities to assist their efforts to implement P2 practices.	NP00E90901	2009	2010	3,038.00	0.00	6,262,830.00	\$496,861
Michigan Department of Environmental Quality Sustainable Hospital Initiative	This grant supported sustainable healthcare through collaboration between Michigan Department of Environmental Quality and the Michigan Health and Hospital Association by developing green healthcare committee to recruit hospitals to join a partnership. MDEQ and MHA put on conferences and shared information on pollution prevention opportunities for hospitals as well as compliance assistance information. In addition, P2 assessments were held at specific hospitals, which resulted in the conservation of resources and cost savings.	NP00E29102	2009	2012	99.00	19,598.00	5,980.00	\$99,303
