

U.S. Environmental Protection Agency
CHILDREN'S HEALTH PROTECTION ADVISORY COMMITTEE

Hotel Washington
515 15th Street, NW
Washington, DC 20004-1099

May 25 - 27, 2004

Draft Agenda

Desired Outcomes:

Learn about new and ongoing activities at EPA and the Office of Children's Health Protection;

Hear updates from the Science Work Group and Regulatory Work Group, and reach agreement on action items. Possible topics include comments on the:

National Children's Study, and

Supplemental Guidance for Assessing Cancer Susceptibility from Early Life Exposure to Carcinogens.

Learn more from panel discussions on the proposed Mercury MACT and on EPA activities concerning children's health in schools, including a follow up to the Committee's previous comments; and

Decide Next Steps

Tuesday, May 25, 2004
