

## SPCC FOR AGRICULTURE

### Available Resources for Outreach Events

#### EPA Website - SPCC for Agriculture <http://www2.epa.gov/oil-spills/spcc-basics-agriculture>

This website is dedicated to provide useful materials to assist the agriculture community with the Spill Prevention, Control and Countermeasure (SPCC) rule.

#### Materials:

- *SPCC Farms Fact Sheet* - Provides a brief overview of the SPCC program as it relates to farms. <http://www2.epa.gov/oil-spills/spcc-fact-sheet-farms>
- *SPCC Presentation* –Provides a more in depth look at the SPCC program as it relates to farms. This presentation is the same presentation included in the training package. <http://www2.epa.gov/oil-spills/spcc-101-agriculture>
- *Tier I Template* - This template is intended to help the owner or operator of a Tier I qualified facility develop a self-certified SPCC Plan. The template is available in several formats (PDF, Word, Word-editable, Word Perfect) <http://www2.epa.gov/oil-spills/tier-i-qualified-facility-spcc-plan-template#Tier I SPCC Template>
- *Tier I Sample Plan* - Based on a fictional scenario, this sample plan serves as an example of a Tier I Plan for farms to reference. <http://www2.epa.gov/oil-spills/tier-i-qualified-facility-spcc-plan-template#Example%201%20Farms>

#### Contacts:

- *State Professional Engineer (PE) licensing board contacts* - Provides contacts for state licensing board and PEs should your plan require one. <http://www2.epa.gov/oil-spills/state-pe-licensing-board-contacts>
- EPA contacts - Provides EPA Regional contacts for further assistance for SPCC and Agriculture <http://www2.epa.gov/oil-spills/spcc-contacts-epa>
- National Agriculture Center - “First stop” for information about environmental requirements that affect the agricultural community. <http://www.epa.gov/agriculture/>

#### North Dakota State University <http://www.ag.ndsu.edu/waterquality>

This Web Site is dedicated to provide useful materials to assist the agriculture community with the Spill Prevention, Control and Countermeasure (SPCC) rule specific to North Dakota.

#### Materials:

- *Tier I Template Example* – Developed by NDSU. Based on a fictional scenario, this sample plan serves as an example of a Tier I Plan for farms to reference.

#### Purdue University <http://www.extension.purdue.edu/extmedia/PPP/PPP-73.pdf>

This guide provides a comprehensive review of requirements related to small aboveground storage tanks, with specific examples.
