

How Do I Update/Change My Password

Introduction

Just like requesting access to the EIS Gateway, EPA's password policy addresses two types of users; external users and internal EPA users. The passwords for internal EPA users are synchronized with their existing LAN password. When internal EPA users change their existing LAN password, your EPA Portal password is changed as well.

External users, those who registered for access to the EPA Portal, must follow the steps outlined below to change their password.

There are two possible scenarios for updating/changing your password. The first is if you know your current password and want to change it to a new password. The second is if you have forgotten your password and need a new password.

Scenario #1: Changing Your Existing Password

Step 1:

Access the EPA Portal at <https://waa.epa.gov>. Enter your User ID and password, and click Login.

Login Instructions

If you have an EPA LAN account, log in using the following: User Name = your LAN id and Password = your LAN password.
If you DO NOT have an EPA LAN account you will need to request access to the Portal using the "Request Access to the EPA Portal" link below.

Login

Enter your user name and password to login.

User Name

Password

Step 2:

Select the "My Profile" option at the top of the page.

Step 3:

Once you select the My Profile option, the My Profile page will appear. To change your password, enter your current password, enter your new password, and then re-enter your new password as confirmation. Select the Save button to save your changes.

You may choose to logout or navigate to another page within the EPA Portal.

The screenshot shows the EPA portal interface. At the top, there is a 'Welcome User' banner with the EPA logo and navigation links: 'Request Access to a Community', 'Personalize Your Portal', 'Portal Help', 'My Profile', and 'Logout'. Below the banner is a sidebar with navigation options: 'Search', 'Web Conferencing', 'Workspaces', 'General Pages' (My Page, Team Resources, Reference Library), 'Air Analysis' (Atmospheric Conditions, Chemicals Pollutants & Risk, Facilities, Permits & Compliance, Source and Facility Emissions), 'ESE Connection' (Home Page), 'Geospatial Pages' (Home Page), and 'Information Technology Governance Support System' (ITGSS). The main content area is titled 'My Profile' and contains two sections: 'Change Password' and 'User Profile'. The 'Change Password' section is highlighted with a red oval and contains a 'Save' button. The 'User Profile' section contains a form with the following fields: First Name (User First Name), Last Name (User Last Name), Email Address (User@aol.com), Street Address (1122 Stafford Court), City (Anytown), Country (United States), State/Province/Region (Any State), Postal Code (89701), and Daytime Phone Number ((555) 123-4567). The form has 'Apply' and 'Refresh' buttons at the bottom.

Scenario #2: Request a New Password

Step 1:

Access the EPA Portal at <https://waa.epa.gov>. Select the option at the bottom right of the screen entitled "Forget your user id or password?"
