MEMORANDUM

SUBJECT: EFAB Review of draft Financial Capability Assessment Framework document

FROM: Andrew Sawyers, Director
Office of Wastewater Management 

TO: Environmental Financial Advisory Board (EFAB)

We would like to thank EFAB for their September 22, 2014 report reviewing EPA's March 4, 2014, draft Financial Capability Assessment Framework document. The EFAB report provides valuable insights regarding the metrics used in the draft Framework, and key perspectives going forward. EPA is presently working to finalize the Framework, and we will incorporate EFAB's thoughts as well as those of other stakeholders who have given us valuable feedback. We hope to release the final Framework in the next month. Thank you again for your hard work and for lending your expertise to this important effort.
