

Implementing the Pesticide Registration Improvement Act - Fiscal Year 2014

Eleventh Annual Report

March 1, 2015

Pesticide Registration Service Fees

Partnership Grants

In Section 33(c)(3)(B)(ii) PRIA 3 provides for a \$500,000 set-aside for partnership grants for each fiscal year from FY'13 through FY'17. \$500,000 in FY'14 PRIA carry-over funds was allocated to support the National Pesticide Information Center to provide objective, science-based information about pesticides to the public. [Table 2](#) provides a summary of this program's accomplishments initiated under PRIA 3.
