GUIDANCE FOR **ANY** POTENTIAL  
NATURAL OR MANMADE EMERGENCY

### **STEP 1:** Put Together an Emergency Kit / “Go Bag”

*THINK ABOUT: What necessities could you and your family need?*

### **STEP 2:** Make Preparations

*THINK ABOUT: Where would you go in an evacuation? Transportation? Special needs? Protect your property and valuables. Do you have animals to consider?*

### **STEP 3:** Stay Informed

*THINK ABOUT: What resources are available now to stay engaged? How will you be notified? What part is YOUR responsibility in an emergency?*
