

Recap of Advanced Coal Technology Work Group
Meetings and Activities: May 8 – May 30, 2007

June 5, 2007

Purpose and Overview

- Review May 8th meeting
- Review process for drafting Interim Report

May 8th Meeting

- Reviewed what the Work Group heard and accomplished from January 2007 through April 2007
- Obtained additional input from the Work Group on other information learned
- Discussed Advanced Coal Technology Work Group Statement
- Discussed and agreed on meeting dates for July 2007 through January 2008
- Discussed update to draft matrix of issues, actors, barriers and opportunities

May 8th Meeting (continued)

Six-month Interim Report:

- Discussed and agreed on draft outline/ framework for the Interim Report
- Discussion of key points to cover in the Introduction, Background and Observations Sections of the Interim Report
- Broke out into small groups to discuss key recommendations to be included in the Interim Report and range of options to implement the recommendations
- Discussed and agreed on process to finalize the Interim Report and transmit to the Clean Air Act Advisory Committee

Process for Generating the Interim Report

Goal: beginning with a draft outline of report in May, produce a finalized, 10-page report for transmittal in June

May 8th meeting

- Work Group members commented and agreed to draft outline of report
- Full WG discussed two sections: observations and background
- Broke out into small groups to discuss other sections: key recommendations to and range of options to implement the recommendations
- Small groups selected a lead drafter, who would coordinate to produce a consensus one-pager on assigned topic
- One-pagers sent to Ben TY and Anna on May 16, first complete draft distributed to WG on May 18

Small Work Groups

Background

- Ann Weeks
- Vicky Sullivan
- Jim Welch

Observations

- Bruce Rising
- Patrice Simms
- Dave Foerter

Education and Outreach

- Bob Gruenig
- Bill Auberle
- Tony DeLucia

Permitting

- Vicky Sullivan
- Patrice Simms
- Michael Ling
- Alvaro Linero
- Dan Metcalf
- Lisa Stolzenhaler

Small Work Groups

Regulatory Drivers

- Mark MacLeod
- Ann Weeks
- Dan Cunningham
- Jim Welch
- James Burns

Incentives

- David Berg
- Bill Stevenson
- David Foerter
- Jeff Hopkins

RD&D

- John McManus
- Frank Blake
- John Campbell

Risk and Liability

- Bob Wyman
- Bruce Rising
- Christopher Romaine
- Sandra Ely

Process for Interim Report (continued)

- 8 conference calls held May 21-24 for discussion of first draft: good participation
- Conference calls included one hour on each section of May 18 version of report
- Lead drafter of each section on appropriate call
- Developed understanding of issues involved in each section, and framed areas for further discussion
- Opportunity to comment on issues for clarification, items that may have been omitted, and areas that were inaccurate
- Following conclusion of conference calls, Ben and Anna incorporated ideas and comments into next draft
- Second draft distributed to Work Group members on May 30th
