Wash your work clothes separately from the family's clothes.

Bathe with shampoo and soap directly after work.

Prevent insects from entering: Seal cracks and maintain the house clean and dry.

Wash your hands before eating, drinking, or going to the bathroom.

Avoid areas being sprayed with pesticides.

Keep all cleaning and pesticide products outside of children’s reach.

Bathe with shampoo and soap directly after work.

Protect your family from pesticides...

It’s easy!

Limiting Exposures Around the Family
