ENVIRONMENTAL INFORMATION

Ms. Gabriele Randshofer  
Managing Director  
International Platinum Group Metals Association  
Schiess-Staett-Strasse 30, 80339 Munich  
Germany

RE: Request for Correction (RFC #11001) – *Draft IRIS assessment for Halogenated Platinum Salts*

Dear Ms. Randshofer:

I would like to provide you with a status update regarding your Information Quality Guidelines Request for Correction (RFC) #11001 submitted to the Environmental Protection Agency on August 1, 2011. The review of the Agency's proposed response to your request is taking longer than we anticipated. We will provide a final response or another status update within 90 business days.

Thank you for your interest in environmental information quality.

Sincerely,

A handwritten signature in blue ink that reads "Monica D Jones".

Monica Jones  
Director, Quality Staff
