

On This Day, July 29, 2003

**Arkansas Department of Environmental Quality
U.S. Environmental Protection Agency, Region 6**

Presents to

**Commercial-Industrial Motors Division
Emerson Motor Company**
Ready for Reuse Certificate

In recognition of the Emerson Motor Company's efforts to investigate and remediate the former Emerson Specialty Motor Division Facility (the "Property"), the Arkansas Department of Environmental Quality (ADEQ) and the United States Environmental Protection Agency (EPA) Region 6 together have determined that the Property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of July 29, 2003, a Ready for Reuse Determination is an acknowledgment that environmental conditions on the Property are protective of human health and the environment based on its current and anticipated future use as a commercial/industrial operation.

A handwritten signature in black ink, appearing to read "Marcus C. Devine", written over a horizontal line.

Marcus C. Devine,
Director, Arkansas Department
of Environmental Quality
