

# Children's Environmental Health United States/Mexico Border Symposium

*Protecting Children Where They Live, Learn, and Play in Border Communities and Beyond*

## August 25th, 2016

The U.S. Environmental Protection Agency, in partnership with the U.S.-MX Border 2020 Program, the White House Initiative "Strong Cities, Strong Communities (SC2)" and The University of Texas Rio Grande Valley would like to invite you to a Children's Health Symposium.

### Location

**The University of Texas Rio Grande Valley**  
One West University Boulevard  
Student Union, PlainsCapital El Gran Salon  
Brownsville, Texas 78520

The one-day event will feature speakers from the U.S. and Mexico and provide important information about environmental impacts on children's health. Sessions are being planned for health care providers, promotoras, academics, community health workers, policy makers, social workers and community leaders. Registration to open soon, continue to visit: [www.epa.gov/border2020](http://www.epa.gov/border2020) for more information.

This activity has been approved for *AMA PRA Category 1 Credits™*
