**Presentation:** Green Globes/Green Building Initiative, by Vicki Worden, Executive Director Green Building Initiative (GBI). Ms Worden has been instrumental in updating the Green Globes environmental assessment and certification programs for commercial buildings. She will provide a broad overview of Green Globes and the upcoming draft release. The ANSI GBI 01-2010 Standard forms the basis for the current version of Green Globes for New Construction (Green Globes NC), which was released in 2013.

Also, the Green Building Initiative (GBI) has released a draft of its GBI-01 Green Building Assessment Protocol for Commercial Buildings for public comment. The deadline for GBI receiving comments is Monday, October 26th. For the comment form and other information visit <http://www.thegbi.org/ansi>.
