

A photograph of a park area with bare trees and a fence in the background. The scene is set in a wooded area with many trees without leaves, suggesting a late autumn or winter setting. A large tree trunk is visible on the left side. In the background, a chain-link fence runs across the middle ground. The ground is covered with dry, yellowish-brown grass and some fallen leaves. The overall lighting is bright, possibly due to a clear sky or overexposure in the photo.

# **CITY OF CHESTER TRAIL & PARKS PROJECTS**

- Increase Tree Canopy
- Improve Tree Viability
- Use Green Infrastructure for Stormwater Management
- Improve Underutilized Park Land
- Partnership with PHS
