

## Subscribing to the AQS RSS Feed in Internet Explorer 8

1. Go to [http://www.epa.gov/ttn/airs/airsaqs/aqs\\_user\\_info\\_rss.xml](http://www.epa.gov/ttn/airs/airsaqs/aqs_user_info_rss.xml)
2. Click on the subscribe to this feed at the top

You'll see this

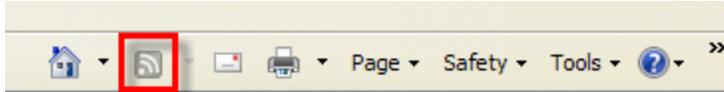

3. Click on the Subscribe button.
4. You are done subscribing.

To read the messages:

Under your "Favorites" there will be a "feeds" tab:

Also, when a new message comes in, the feed icon on your menu bar (on the right) should switch from grey to orange.

Note, often subscribing in IE will add the feed to Outlook if you also use that.

Note, at EPA, sometimes IE will not update when we post a new message.
