

Urban Waters Federal Partnership  
**Brownfields Community of Practice Meeting**  
Delaware River Waterfront Corporation (DRWC)  
121 N Columbus Boulevard, Philadelphia, PA 19106

**March 24, 2015**

9-1 (tentative)

Background and Objectives: This is the fourth Brownfield CoP meeting. Each of the cities (Camden, Chester, Wilmington, Philadelphia) will have hosted the CoP to highlight UWFP related Brownfield projects in their area, discuss successes/challenges/needs, and network with other Brownfield practitioners in the UWFP focus area. In addition the CoP is discussing efforts to increase Brownfield coordination with UWFP goals related to environmental, economical, and social issues, evaluating current practices and approaches for increased efficiency, coordination, and leveraging, and evaluating monitoring and success criteria/metrics.
