

Quick Reference Guide to policies and programs contained in *Managing and Transforming Waste Streams: A Tool for Communities*

This guide categorizes the policies and programs into types of actions that local governments can take, which may provide helpful context for the tool's content. Under each Action Statement, the relevant policies and programs are listed as numbered in the tool. Note: some are listed under more than one heading.

Topic	Action Statement
<i>Community-Wide Goals/Plans</i>	<p>Frame and set objectives to support new or expanded policies, programs, and facilities</p> <ul style="list-style-type: none"> #1 High Diversion Goal/Plan #2 Zero Waste Goal/Plan #3 Goal Integration Across Plans #4 Zero Waste Goal for Organics #47 Zero Waste Collection Infrastructure Planning #80 Market Development Opportunities Assessment
<i>Local Government Operations</i>	<p>Address the waste streams of public agencies and publicly-managed parks & facilities</p> <ul style="list-style-type: none"> #7 Lead-by-Example Green Procurement (voluntary) #8 Lead-by-Example Green Procurement (mandatory) #9 Lead-by-Example Zero Waste Procurement (mandatory) #10 Lead-by-Example Road Construction #11 Zero Waste Public Venues & Events #24 Product & Packaging Bans #31 Lead-by-Example Recycling and/or Composting #55 Best Practices Training
<i>Curbside Collection (residents, businesses and institutions)</i>	<p>Expand and incentivize curbside collection of recyclable and compostable materials (e.g., service provision, incentives, requirements)</p> <ul style="list-style-type: none"> #33 Municipal Recycling Collection Services #34 Expanded Municipal Collection – Recyclables #35 Expanded Municipal Collection – Yard Debris #37 Expanded Municipal Collection – Food Scraps #38 Expanded Municipal Collection – Multi-Family #12 Universal Service / Access #13 Private Hauler Collection Requirements #14 Mandatory Subscription – Recycling #15 Mandatory Subscription – Organics

Topic	Action Statement
	<ul style="list-style-type: none"> #26 Recycling Requirements / Provisions #27 Licensing with Reporting #16 Pay As You Throw #20 Single Stream Recycling #40 Curbside Collection Optimization #41 Expanded Authority for Service #42 Right-Size Service #43 Every-Other-Week Trash Collection #45 Service Provider Rewards #46 Service Provider Incentives or Requirements #30 Source Separation Incentives #17 Mandatory Recycling / Source Separation #18 Mandatory Recycling Percentage #19 Mandatory Composting #47 Zero Waste Collection Infrastructure Planning
