

US EPA CSO Program's Webcast Series

Small Communities and the CSO Control Policy:
Options and Tools for Complying with the Policy,
Including the LTCP-EZ Tool

Webcast: June 24, 2009

Two-hour audio Web broadcast

Eastern: 1:00 pm - 3:00 pm

Central: 12:00 pm - 2:00 pm

Mountain: 11:00 am - 1:00 pm

Pacific: 10:00 am - 12:00 pm

Session Description:

This webcast will focus on small communities and the options available to them under the CSO Control Policy for developing the nine minimum controls and long term control plans (LTCPs). The webcast will also include a brief overview of the LTCP-EZ Template, a tool that can help communities prepare their LTCPs and assist permitting authorities in their review of LTCPs and CSO permits.

Speakers: Tim Schmitt, LimnoTech
Mohammed Billah, U.S. EPA
Jim Collins, Tetra Tech

Registration: You must register in advance to attend this free webcast. Certificates of participation will be available from EPA. Visit the NPDES Web site at <http://www.epa.gov/npdes/training> to register. Note: Your computer must have the capability of playing sound in order to attend this webcast.

Tentative future webcast topics:

- ▶ Green CSO Controls and LTCPs
- ▶ A series of webcasts for national CSO coordinators

The materials in this Webcast have been reviewed by EPA staff for technical accuracy.
