

EPA Workshop for Environmental Justice Communities on the Clean Power Plan

November 4-5, 2015

The New Community Development Center

Westside Development Center, Lot 501-A

501 Rev. Raymond Scott Avenue, Port Arthur, TX 77640

Co-Hosted by: Community In-power and Development Association Inc.

Workshop Objectives

- To provide history, context and an understanding of the evolution of the Clean Power Plan.
- To provide an overview of community efforts to lessen the impact of pollution from power plants.
- Prepare environmental justice (EJ) participants to engage effectively in this rulemaking.
- Provide EPA staff with a better understanding of key community concerns regarding the Clean Power Plan.
