Re: U.S. EPA Notice of Conditional Approval of Enbridge Energy, Limited Partnership's May 13, 2011 in response to the Administrative Order issued by U.S. EPA on July 27, 2010, pursuant to §311(c) of the Clean Water Act (Docket No. CWA 1321-5-10-001) and Supplement to the Administrative Order issued by U.S. EPA on September 23, 2010

Dear Mr. Adams:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the following document submitted by Enbridge Energy, Limited Partnership, Enbridge Pipelines (Lakchcad) L.L.C., Enbridge Pipelines (Wisconsin), and Enbridge Energy Partners, L.P. (herein collectively referred to as "Enbridge"):

Enbridge Line 6B MP 608, Marshall, MI Pipeline Release, Waste Treatment, Transportation and Disposal Plan, Enbridge Energy, Limited Partnership, (initially dated August 2, 2010, revised: August 8, 2010, supplemental revision: August 8, 2010, Supplemental revision October 28, 2010, revised: March 4, 2011, revised: March 23, 2011, revised: May 2, 2011, revised: May 13, 2011).

Pursuant to Paragraph 19 of the July 27, 2010 Order, U.S. EPA approves, with the modifications described below, Enbridge's above-referenced *Waste Treatment, Transportation and Disposal Plan* ("WTTD Plan") submitted to U.S. EPA on May 13, 2011. Specific comments are set forth below and shall be incorporated into a revised WTTD Plan.

- a. Section 3.4. Control Point Sampling Procedure
 - i. Second set of bullets, seventh bullet: please replace "Aliquots for the debris composite aliquot sample are..." with "Aliquots for the debris composite sample are..."
- b. Section 3.6 De Minimis Hazardous Waste
Please provide a detailed description of staging and handling of de-minimis hazardous waste prior to off-site disposal.

- c. Section 4.2 Liquid Waste Water
 - i. The referenced Water Management Plan (WMP) was previously approved. Therefore, please change the status of the WMP to approved.
- d. Section 4.3 Oil Impacted Media and Debris
 - i. Please remove "etc." from the third sentence.
- e. Section 4.4 Municipal Solid Waste
 - i. Fourth paragraph: please provide a detailed description of staging and handling of miscellaneous small waste streams prior to off-site disposal.
- f. Attachments, Flow Charts
 - i. Please use a single term consistently to reference Enbridge's representatives throughout the flow charts.
- g. Attachment II, Transfer Plan – Transfer of Operations from Site A to Frac Tank City
 - i. Phase III, second paragraph: please change "EPA" to "USEPA."
 - ii. Figures 2 and 3: Please indicate the specific location within "Frac Tank City" where fractionation tanks ("frac" tanks) and roll-off containers will be staged. Additionally, please indicate if different areas will be used for frac tank/roll-off containers that are in-use, versus staging for potential use.

The revised WITD Plan, as modified above, shall be submitted to U.S. EPA no later than 1700 hours Eastern, May 20, 2011. The document shall also be concurrently submitted electronically in Microsoft Word format.

If you have any questions regarding this letter, please contact me immediately at (231) 301-0559.

Sincerely,

Ralph Dollhopf
Federal On-Scene Coordinator and Incident Commander
U.S. EPA, Region 5
