NOTICE OF INTENT TO ISSUE A DRAFT CLEAN AIR ACT PART 71 PERMIT TO OPERATE FOR GRAND CASINO HINCKLEY

The U. S. Environmental Protection Agency (EPA) requests public comment on the draft Air Pollution Control Title V Permit to Operate for Grand Casino Hinckley (Permit No. V-ML-2711500031-2016-01) located at 777 Lady Luck Drive, Hinckley, Minnesota. The public comment period for the draft permit ends **September 24, 2016**.

This action would permit Grand Casino Hinckley to operate air emission units and conduct other air pollutant emitting activities in accordance with the permit conditions listed in the permit. Air emission units at the facility include three non-emergency internal combustion engines and two diesel-fired emergency internal combustion engines. The permit text has been reformatted and, as a result, the permit condition numbering system has changed from the previous permit. In addition to the formatting changes, permit requirements have been modified to include: 1) applicable requirements for the electrical generator as a non-emergency engine under 40 C.F.R. Part 63, Subpart ZZZZ; and 2) additional periodic testing has been added to the permit.

Members of the public may review copies of the draft permit prepared by EPA, the review documents for the draft permit, the application, and all supporting materials submitted by the source at the EPA Region 5 office in Chicago located at 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604, by contacting Sarah Rolfes at 312-886-6551 or [rolfes.sarah@epa.gov](mailto:rolfes.sarah@epa.gov). All documents will be available for review at the EPA Region 5 office in Chicago Monday through Friday from 8:15 AM until 4:45 PM (excluding federal holidays).

All documents are available for review online at <https://www.epa.gov/caa-permitting/tribal-permitting-region-5>. The draft permit is also available for review at <https://yosemite.epa.gov/r5/r5ard.nsf/Tribal+Permits!OpenView>

Copies of the permit application, draft permit, statement of basis, and the public notice are also available at the following locations:

- Hinckley Public Library, 106 First Street SE, Hinckley, MN

Written comments and requests to receive notices of any future actions may be sent to Edward Nam, Acting Director, Air and Radiation Division (A-18J), at the above EPA Region 5 office address or faxed to (312) 353-1661 by **September 24, 2016**. All written comments should include the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

Members of the public may also request a public hearing. A request for a public hearing must be made in writing and must state the nature of the issues proposed to be raised at

the hearing. Written requests for a public hearing should be sent to the EPA Region 5 address listed above.

All relevant comments received prior to the end of the public comment period will be considered in arriving at a final decision on the permit. All comments will be included in the public docket without change and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If you send e-mail directly to EPA, your e-mail address will be captured automatically and included as part of the public comment. Please note that an e-mail or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permit. If you believe any condition of the draft permit is inappropriate or that our initial decision to deny an application, terminate a permit, or prepare a draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period.
