# BROWNFIELDS AND REDEVELOPMENT WORKSHOP

*Learn More about Brownfields grants and tools to revitalize the Greater Birmingham community.*

The Workshop will include presentations from the City of Birmingham and the U.S. Environmental Protection Agency (EPA) on a suite of pre-existing planning tools to promote growth and redevelopment in the Greater Birmingham.

- **Land Bank Authority - Phil Amthor, City of Birmingham**
- **Code Enforcement & Community Courts- Ronnie White, City of Birmingham**
- **Brownfields 101 Basics – David Champagne, U.S. EPA**
- **Topics covered will include: Brownfields grants, funding amounts, grant cycle, and opportunities for revitalization post assessment**
- **N. Birmingham Case Study – Amber Courtney, City of Birmingham and Mikhail Alert, Regional Planning Commission of Greater Birmingham with Brian Holtzclaw, U.S. EPA**

Topics will include presentation of key components to a successful Brownfields program which include establishing a Brownfields inventory, Brownfields Task Force and conducting community engagement to result in a winning Brownfields proposal.
