In the space below, explain your interest in the Local Foods, Local Places program. You should include answers to the following:

- What is the project's geographic scope (e.g., neighborhood, city-wide)? What is the area's demographic makeup and economic condition?
- What challenges does your community face around downtown or neighborhood revitalization?
- What actions has your community taken so far to overcome these challenges?
- How do you propose to use local foods as a strategy to help address some of these challenges?
- How would a community workshop through Local Foods, Local Places help you achieve your goals?
- What other partners will be involved in planning and implementing your action plan, such as public agencies and institutions, non-governmental organizations, foundations, businesses, and agricultural producers? Will elected officials be supportive?
- What assurances can you make that you will implement the action plan that our technical assistance team will help you develop?

Your response must fit in the two boxes below. Text does not automatically flow from one box to the next. You must click on each box.
