

LMOP Special Session at SWANA Symposium - March 29, 2017

LMOP Special Session

March 29, 2017

Reno, Nevada

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that we are collaborating with the Solid Waste Association of North America (SWANA) to organize a panel in conjunction with their upcoming [40th Annual Landfill Gas and Biogas Symposium](#) in Reno, Nevada. The **LMOP National Landfill Gas Energy Special Session** (LMOP Special Session) will be held from **2:00 to 4:00 PM** on **Wednesday, March 29, 2017**.

The LMOP Special Session will feature presentations on landfill gas (LFG) energy projects as well as current trends affecting LFG energy development and the solid waste management sector. **The agenda for the LMOP Special Session is currently being developed.**

Online registration for the LMOP Special Session will be managed through the SWANA website. **There is no cost to attend the LMOP Special Session, but registration is required.**

Please see the [LMOP Special Session page](#) on LMOP's website for more information and check the page over the next few months for updates as well.

LMOP is not hosting a separate conference in 2017.

If you have any **questions about the LMOP Special Session**, please contact LMOP [through our website](#).

Sincerely,
The LMOP team
