

LMOP Special Session Preliminary Agenda Available

**March 29, 2017
Reno, Nevada**

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that the **preliminary agenda** for the upcoming **LMOP National Landfill Gas Energy Special Session** (LMOP Special Session) is now available. LMOP is collaborating with the Solid Waste Association of North America (SWANA) to organize this panel in conjunction with their **40th Annual Landfill Gas and Biogas Symposium** in Reno, Nevada.

The LMOP Special Session will be held from **2:00 to 4:00 PM** on **Wednesday, March 29, 2017**. Online registration for the LMOP Special Session is being managed through the SWANA website. **There is no cost to attend the LMOP Special Session, but registration is required.** Please visit [SWANA's website](#) to register for the LMOP Special Session and for more information about the SWANA Symposium.

The LMOP Special Session will feature presentations on landfill gas (LFG) energy projects as well as current trends affecting LFG energy development and the solid waste management sector. Speakers include:

- **Kirsten Cappel**, LMOP, U.S. EPA
- **Swarupa Ganguli**, U.S. EPA
- **Tim Flanagan**, Monterey Regional Waste Management District
- **Rori Cowan**, American Carbon Registry

Please see the [LMOP Special Session page](#) on LMOP's website for more information and check the page over the next few weeks for updates as well.

LMOP is not hosting a separate conference in 2017.

If you have any **questions about the LMOP Special Session**, please contact LMOP [through our website](#).

Sincerely,
The LMOP team

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
