Hello LaWeeda,
The CRID Form you received is the archaeological approval for the undertaking.

Hello Ms. Billie:

I am writing to confirm a conversation I had with the Navajo Nation Historic Preservation Department on March 3, 2017 concerning the attached Cultural Resource Inventory Determination Form. Per my conversation with Linda Laughins, the attached form is all that is needed for Navajo Nation compliance under the National Historic Preservation Act (NHPA). Please confirm this understanding by replying to this email. Thank you very much for your cooperation.
