

Hillsborough County, Florida Request for LFG Energy Project Developer

As a service to our Partners and stakeholders, the U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to provide information from **Hillsborough County, Florida** about a **request for qualifications (RFQ)**.

Hillsborough County is seeking a qualified firm for the **development of a landfill gas (LFG) beneficial use project at its Southeast County Landfill**.

Offers must be submitted via the **County's electronic bidding system or as a hard copy delivery** (e.g., U.S. mail, express mail, courier service) to the address provided in the RFQ. Electronic submittals other than through the County's electronic bidding system will not be accepted.

The **closing date** for offers to this RFQ is **May 2, 2017 at 2:00 PM (EDT)**.

The **RFQ is available online** at <http://www.hcflgov.net/en/businesses/doing-business-with-hillsborough>. Select Bid Opportunities and then click on the "Details" column for "Event Number" **7943** with "Bid Title" of Landfill Gas to Energy. Potential proposers must register with iSupplier to access the RFQ. **All questions should be directed to Hillsborough County's Procurement Services Department.**

EPA is providing this information as a service but does not endorse the information or opinions included therein.

To request removal from this email list, please reply to this message. For further information or questions about LMOP, please do not reply to this email message, but rather visit the [LMOP website](#). Thank you.
