**Oklahoma Department of Environmental Quality
U.S. Environmental Protection Agency, Region 6**

Presents to

Sheffield Steel Corporation

Ready for Reuse Certificate

The Oklahoma Department of Environmental Quality (DEQ) and United States Environmental Protection Agency (EPA) Region 6 together have determined that the Sheffield Steel Corporation facility, located at 2300 South Highway 97, Sand Springs, Oklahoma, is Ready for Reuse. A Ready for Reuse Determination is an acknowledgement that environmental conditions on the property are protective for its current and anticipated future use as an industrial operation.

A handwritten signature in black ink that reads "Steven A. Thompson".
