LMOP Special Session **March 2018**

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to announce that we are collaborating with the Solid Waste Association of North America (SWANA) to organize the **LMOP National Landfill Gas Energy Special Session** (LMOP Special Session) in conjunction with SWANA's upcoming [41st Annual Landfill Gas and Biogas Symposium](#) in **Denver, Colorado** on **March 5-7, 2018**.

If you are interested in speaking during the LMOP Special Session, please contact LMOP at lmop@epa.gov. We are interested in **proposals for presentations** discussing best practices, trends or case studies covering the topics of landfill emissions mitigation, LFG energy projects or integrated solid waste management. Please note we will not consider presentations focused on marketing products or services.

More information about the LMOP Special Session will be available soon on the [LMOP website](#).

If you have any **questions about the LMOP Special Session**, please contact LMOP [through our website](#).

Sincerely,
The LMOP team
