RE: NSPS and NESHAPS Delegations

Dear Mr. Adamkus:

In response to your letter dated September 1, 1982, MPCA staff have reviewed the terms and conditions of the subject delegation and find them acceptable.

Therefore, as part of the implementation of the program, the MPCA will forward all requested information to EPA pursuant to the delegation. I do want to emphasize that MPCA acceptance of this delegation is contingent upon appropriate fiscal support from EPA. Should that support diminish, the MPCA will need to reassess its ability to continue this delegation arrangement with EPA.

Sincerely,

Louis J. Breimhurst
