

The list below displays the applicants for EPA's 2017 School Bus Rebate Program that were not selected in the lottery process. If any 2017 rebate selectees drop out of the program, EPA will make an effort to offer their unused funds to previously unselected applicants based on the order of the list below. Dropouts are not common, so we do not recommend that fleets in this waiting list adjust their normal bus procurement schedule in the hope of being selected.
