

U.S. Environmental Protection Agency Invites Comments on a proposed hazardous waste permit for The Lubrizol Corporation in Wickliffe, Ohio.

The United States Environmental Protection Agency (U.S. EPA) is proposing to issue a Hazardous Waste Management Permit under the Resource Conservation and Recovery Act (RCRA) to The Lubrizol Corporation (Lubrizol), located in Wickliffe, Ohio. This permit addresses air emission standards for tanks and containers.

This proposed RCRA Permit is based on information contained in the administrative record. The administrative record consists of this fact sheet, the draft permit, and other relevant materials that the U.S. EPA has assembled. The administrative record for The Lubrizol is on file at the following locations and may be reviewed and copied at any time between 8:00 a.m. and 4:30 p.m., Monday through Friday, except for legal holidays:

Comments on this proposed action may be submitted to the U.S. EPA address listed above no later than April 30, 2008. You may request that U.S. EPA hold a public hearing about this permit. At a hearing, you would have an opportunity to submit written comments, ask questions, make statements and otherwise discuss any concerns about the permit with U.S. EPA staff. If a public hearing is held, U.S. EPA will make a separate announcement of the date, time, and location of that hearing/meeting 30 days in advance. For additional information, call Martha Y. Robinson at the above toll-free number Ext. 6-6141. (e-mail: robinson.martha@epa.gov)
