

# FY 2017 Healthy Homes Production for Tribal Housing Notices of Funding Availability (NOFA)

U.S. Department of Housing and Urban Development  
Office of Lead Hazard Control and Healthy Homes

# Objectives

- The purpose of this presentation is to:
  - Provide an overview of the FY 2017 Healthy Homes Production (HHP) NOFAs for Tribal Housing.
  - Increase awareness of the funding opportunities available and provide general information on the application process to potential applicants.

# Webinar Restriction

- Under the HUD Reform Act, in order to avoid providing an unfair advantage to any prospective applicant, there are limitations on what HUD can present about the NOFAs and how we answer questions about them:
  - Webinar participants should avoid questions designed to obtain information that would benefit their individual application.
  - HUD staff are not permitted to answer such questions, neither during this webinar nor any other time.

# Items Covered

- Program Overview
- Program Purpose
- Applicant Eligibility Criteria Review
- Description of Match Requirements
- Grant Award Amounts

# Items Covered

- Rating Factors Overview
  - Rating Factor 1 – Capacity of the Applicant and Relevant Organization Experience
  - Rating Factor 2 – Need and Extent of the Problem
  - Rating Factor 3 – Budget Proposal
- Application Submission Requirements
- Questions

# Program Overview

- Financial assistance targeted to families with income at or below 80% AMI
- Program targets health and safety hazards in residential housing
- Inspections required to show need for interventions
