

Congratulations to our Multiple Award Winners!

ABOUT SMARTWAY EXCELLENCE AWARDS

EPA's SmartWay Excellence Award recognizes exceptional achievement in freight performance among EPA SmartWay Partners. Excellence Awardees lead their industries in improving freight efficiency and contributing to cleaner air within their supply chains. The Awardees are chosen from over 3,700 companies and organizations participating in SmartWay.

Between 2006 and 2018, EPA recognized SmartWay Excellence Award winners 11 times. EPA recognized 106 companies as SmartWay Excellence Awardees multiple times.

234

Partners recognized as Excellence Awardees over 11 years

106

Partners recognized as Excellence Awardees more than once

ABOUT U.S. EPA SMARTWAY

SmartWay is a market-driven initiative that empowers businesses to move freight in the cleanest, most energy-efficient way possible. It provides shippers and carriers with the tools and support they need to track, document, and share information about transport modes, equipment, and operational strategies that can reduce fuel use and emissions across the supply chain.
