WHEREAS, Plaintiffs, the United States of America (“United States”), on behalf of the United States Environmental Protection Agency (“EPA”), and the Louisiana Department of Environmental Quality (“LDEQ”), have jointly filed a complaint (“Complaint”) alleging that Defendant Evangeline Enterprises LLC (d/b/a Evangeline Training Center) (“Evangeline”) has discharged pollutants into waters of the United States and waters of the State of Louisiana from Evangeline’s race horse training facility (“Facility”) in violation of Section 301 of the Clean Water Act (“CWA”), 33 U.S.C. § 1311, and the Louisiana Environmental Quality Act (“LEQA”), La. R.S. 30:2001, *et. seq.*

WHEREAS, Evangeline does not admit any liability to the United States or LDEQ arising out of the transactions or occurrences alleged in the Complaint.

WHEREAS, Evangeline asserts that it has a limited financial ability to pay penalties for the alleged violations and has submitted financial information to the United States and LDEQ that materially set forth Evangeline’s financial circumstances. The financial information provided includes detailed statements of income, expenses, and other financial documents. The United States and LDEQ, with the assistance of an expert financial analyst, have reviewed the financial information submitted by Evangeline to assess the asserted limited ability to pay. Based on the financial information provided, the United States and LDEQ have determined that Evangeline has a limited ability to pay the full amount that would otherwise be appropriate for the serious violations alleged against Evangeline in the Complaint. Accordingly, the amount assessed in this Consent Decree against Evangeline is reduced to the agreed level presented herein based on Evangeline’s demonstrated limited ability to pay.

WHEREAS, the United States, LDEQ, and Evangeline (collectively, the “Parties”)

recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation among the Parties, and that this Consent Decree is fair, adequate, reasonable, and in the public interest.

NOW, THEREFORE, before the taking of any testimony, without the adjudication or admission of any issue of fact or law, except as provided in Section I, and with the consent of the Parties, IT IS HEREBY ADJUDGED, ORDERED, AND DECREED as follows:

I. JURISDICTION AND VENUE

1. This Court has jurisdiction over the subject matter of this action, pursuant to Section 309(b) of the CWA, 33 U.S.C. § 1319(b), and under 28 U.S.C. §§ 1331, 1345, and 1355. This Court has supplemental jurisdiction over the State law claims asserted by LDEQ pursuant to 28 U.S.C. § 1367. Venue lies in this District pursuant to Section 309(b) of the CWA, 33 U.S.C. § 1319(b), and 28 U.S.C. § 1391(b) and (c), because the alleged violations in the Complaint occurred and are occurring at Evangeline's Facility, which is located in this District. For purposes of this Decree, or any action to enforce this Decree, Evangeline consents to the personal jurisdiction of this Court and waives any objection to venue in this District.

2. For purposes of this Consent Decree, Evangeline agrees that the Complaint states claims upon which relief may be granted, pursuant to Section 309 of the CWA, 33 U.S.C. § 1319 and the LEQA.

Evangeline shall condition any such contract upon performance of the work in conformity with the terms of this Consent Decree.

26. If the Plaintiffs agree with the suspension request, the unperformed compliance obligations in Paragraphs 14; 15; 16 b.-i.; 18; 20; and 21 shall be suspended pending the Court's disposition of any motion, pursuant to Paragraphs 27 below, to modify the Consent Decree due to the Permanent Closure of the Facility. The suspension shall last no more than 90 days unless a joint motion in accordance with Paragraph 27 below has been filed with the Court, in which event, the suspension shall last until the Court enters a final decision on the motion.

27. Within 90 days of the United States' agreement to a suspension request, the Parties shall file with the Court a joint motion seeking modification of the injunctive relief terms in light of Evangeline's decision and commitment to permanently close the Facility.

28. Once the Facility has been permanently closed in accordance with all applicable laws and regulations, Evangeline shall provide to the United States and LDEQ a written Notice of Permanent Closure certifying that Evangeline has fully complied with Paragraph 23. 29. Any suspension request or Notice of Permanent Closure shall be signed by an authorized representative of Evangeline and shall bear the certification language set forth in Paragraph 36.

VI. PERMITS

30. Where any compliance obligation under this Decree requires Evangeline to obtain a federal, state, or local permit or approval, Evangeline shall submit timely and complete applications and take all other actions necessary to obtain all such permits or approvals. Evangeline may seek relief under the provisions of Section IX (Force Majeure) for any delay in the performance of any such obligation resulting from a failure to obtain, or a delay in obtaining, any permit or approval required to fulfill such obligation, if Evangeline has submitted timely and complete applications and has taken all other actions necessary to obtain all such permits or approvals.

VII. RECORDKEEPING AND REPORTING REQUIREMENTS

31. Evangeline shall maintain the following records:

If the cause of a violation cannot be fully explained at the time the report is due, Evangeline shall so state in the report. Evangeline shall investigate the cause of the violation and shall then submit an amendment to the report, including a full explanation of the cause of the violation, within 30 Days of the Day

Evangeline becomes aware of the cause of the violation. Nothing in this Paragraph or the following Paragraph relieves Evangeline of its obligation to provide the notice required by Section IX (Force Majeure).

This procedure is in addition to the requirements set forth in the preceding Paragraph.

a. if the dispute is resolved by agreement or by a decision of the United States or LDEQ that is not appealed to the Court, Evangeline shall pay accrued penalties determined to be owing, together with interest, to the United States or LDEQ within 30 Days of the effective date of the agreement or the receipt of the United States' or LDEQ's decision or order;

b. if the dispute is appealed to the Court and the United States or LDEQ prevails in whole or in part, Evangeline shall pay all accrued penalties that are determined due by the Court, together with interest, within 60 Days after receiving the Court's decision or order, except as provided in subparagraph 49(c), below;

c. if any Party appeals the District Court's decision, Evangeline shall pay all accrued penalties determined to be owing, together with interest, within 15 Days after receiving the final appellate court decision.

50. Evangeline shall pay stipulated penalties owing to the United States or LDEQ in the manner set forth and with the confirmation notices required by Section IV (Civil Penalty), except that the transmittal letter shall state that the payment is for stipulated penalties and shall state for which violation(s) the penalties are being paid.

51. If Evangeline fails to pay stipulated penalties according to the terms of this Consent Decree, Evangeline shall be liable for interest on such penalties at the rate specified in 28 U.S.C. § 1961, accruing as of the date payment became due. Nothing in this Paragraph shall

be construed to limit the United States or LDEQ from seeking any remedy otherwise provided by law for Evangeline's failure to pay any stipulated penalties.

52. The payment of penalties and interest, if any, shall not alter in any way Evangeline's obligation to complete the performance of the requirements of this Consent Decree.

53. Stipulated penalties are not the United States' or LDEQ's exclusive remedy for violations of this Consent Decree. Subject to the provisions of Section XII (Effect of Settlement/Reservation of Rights), the United States and LDEQ expressly reserve the right to seek any other relief it deems appropriate for Evangeline's violation of this Decree or applicable law, including, but not limited to, an action against Evangeline for statutory penalties, additional injunctive relief, mitigation or offset measures, and/or contempt.

IX. FORCE MAJEURE

54. "Force majeure," for purposes of this Consent Decree, is defined as any event arising from causes beyond the control of Evangeline, of any entity controlled by Evangeline, or of Evangeline's contractors, which delays or prevents the performance of any obligation under this Consent Decree despite Evangeline's best efforts to fulfill the obligation. The requirement that Evangeline exercise "best efforts to fulfill the obligation" includes using best efforts to anticipate any potential force majeure event and best efforts to address the effects of any potential force majeure event (a) as it is occurring and (b) following the potential force majeure, such that the delay and any adverse effects of the delay are minimized. "Force Majeure" does not include Evangeline's financial inability to perform any obligation under this Consent Decree.

55. If any event occurs or has occurred that may delay the performance of any obligation under this Consent Decree, whether or not caused by a force majeure event,

Evangeline shall provide notice orally or by electronic transmission to EPA and LDEQ within 72 hours of when Evangeline first knew that the event might cause a delay. Within seven days thereafter, Evangeline shall provide in writing to EPA and LDEQ an explanation and description of the reasons for the delay; the anticipated duration of the delay; all actions taken or to be taken to prevent or minimize the delay; a schedule for implementation of any measures to be taken to prevent or mitigate the delay or the effect of the delay; Evangeline's rationale for attributing such delay to a force majeure event if it intends to assert such a claim; and a statement as to whether, in the opinion of Evangeline, such event may cause or contribute to an endangerment to public health, welfare or the environment. Evangeline shall include with any notice all available documentation supporting the claim that the delay was attributable to a force majeure. Failure to comply with the above requirements shall preclude Evangeline from asserting any claim of force majeure for that event for the period of time of such failure to comply, and for any additional delay caused by such failure. Evangeline shall be deemed to know of any circumstance of which Evangeline, any entity controlled by Evangeline, or Evangeline's contractors knew or should have known.

56. If EPA, after a reasonable opportunity for review and comment by LDEQ, agrees that the delay or anticipated delay is attributable to a force majeure event, the time for performance of the obligations under this Consent Decree that are affected by the force majeure event will be extended by EPA, after a reasonable opportunity for review and comment by LDEQ, for such time as is necessary to complete those obligations. An extension of the time for performance of the obligations affected by the force majeure event shall not, by itself, extend the time for performance of any other obligation. EPA will notify Evangeline in writing of the

length of the extension, if any, for performance of the obligations affected by the force majeure event.

57. If EPA, after a reasonable opportunity for review and comment by LDEQ, does not agree that the delay or anticipated delay has been or will be caused by a force majeure event, EPA will notify Evangeline in writing of its decision.

58. If Evangeline elects to invoke the dispute resolution procedures set forth in Section X (Dispute Resolution), it shall do so no later than 15 days after receipt of EPA's notice provided pursuant to Paragraph 57. In any such proceeding, Evangeline shall have the burden of demonstrating by a preponderance of the evidence that the delay or anticipated delay has been or will be caused by a force majeure event, that the duration of the delay or the extension sought was or will be warranted under the circumstances, that best efforts were exercised to avoid and mitigate the effects of the delay, and that Evangeline complied with the requirements of Paragraphs 54 and 55. If Evangeline carries this burden, the delay at issue shall be deemed not to be a violation by Evangeline of the affected obligation of this Consent Decree identified to EPA, LDEQ, and the Court.

X. DISPUTE RESOLUTION

59. Unless otherwise expressly provided for in this Consent Decree, the dispute resolution procedures of this Section shall be the exclusive mechanism to resolve disputes arising under or with respect to this Consent Decree. Evangeline's failure to seek resolution of a dispute under this Section shall preclude Evangeline from raising any such issue as a defense to an action by the United States and/or LDEQ to enforce any obligation of Evangeline arising under this Decree.

60. Informal Dispute Resolution. Any dispute subject to Dispute Resolution under this Consent Decree shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when Evangeline sends the United States and LDEQ a written Notice of Dispute. Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed 20 Days from the date the dispute arises, unless that period is modified by written agreement. If the Parties cannot resolve a dispute by informal negotiations, then the position advanced by the United States and LDEQ shall be considered binding unless, within 15 Days after the conclusion of the informal negotiation period, Evangeline invokes formal dispute resolution procedures as set forth below.

61. Formal Dispute Resolution. Evangeline shall invoke formal dispute resolution procedures, within the time period provided in the preceding Paragraph, by serving on the United States and LDEQ a written Statement of Position regarding the matter in dispute. The Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting Evangeline's position and any supporting documentation relied upon by Evangeline.

62. The Plaintiffs shall serve their Statement of Position within 45 Days of receipt of Evangeline's Statement of Position. The Plaintiffs' Statement of Position shall include, but need not be limited to, any factual data, analysis, or opinion supporting that position and any supporting documentation relied upon by the United States or LDEQ. The Plaintiffs' Statement of Position shall be binding on Evangeline, unless Evangeline files a motion for judicial review of the dispute in accordance with the following Paragraph.

63. Evangeline may seek judicial review of the dispute by filing with the Court and serving on the United States and LDEQ, in accordance with Section XIV (Notices), a motion

requesting judicial resolution of the dispute. The motion must be filed within 10 Days of receipt of the Plaintiffs' Statement of Position pursuant to the preceding Paragraph. The motion shall contain a written statement of Evangeline's position on the matter in dispute, including any supporting factual data, analysis, opinion, or documentation, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly implementation of the Consent Decree.

64. The United States and/or LDEQ shall respond to Evangeline's motion within the time period allowed by the Local Rules of this Court. Evangeline may file a reply memorandum, to the extent permitted by the Local Rules.

65. Standard of Review. Except as otherwise provided in this Consent Decree, in any other dispute brought under Paragraph 61, Evangeline shall bear the burden of demonstrating that its position complies with this Consent Decree and better furthers the objectives of the Consent Decree.

66. The invocation of dispute resolution procedures under this Section shall not, by itself, extend, postpone, or affect in any way any obligation of Evangeline under this Consent Decree, unless and until final resolution of the dispute so provides. Stipulated penalties with respect to the disputed matter shall continue to accrue from the first Day of noncompliance, but payment shall be stayed pending resolution of the dispute as provided in Paragraph 49. If Evangeline does not prevail on the disputed issue, stipulated penalties shall be assessed and paid as provided in Section VIII (Stipulated Penalties).

XI. INFORMATION COLLECTION AND RETENTION

67. The United States, LDEQ, and their representatives, including attorneys, contractors, and consultants, shall have the right of entry into any facility covered by this Consent Decree, at all reasonable times, upon presentation of credentials, to:

- a. monitor the progress of activities required under this Consent Decree;
- b. verify any data or information submitted to the United States or LDEQ in accordance with the terms of this Consent Decree;
- c. obtain samples and, upon request, splits of any samples taken by Evangeline or its representatives, contractors, or consultants;
- d. obtain documentary evidence, including photographs and similar data; and
- e. assess Evangeline's compliance with this Consent Decree.

68. Upon request, Evangeline shall provide EPA and LDEQ, or their authorized representatives, splits of any samples taken by Evangeline. Upon request, EPA and LDEQ shall provide Evangeline splits of any samples taken by EPA or LDEQ.

69. Until five years after the termination of this Consent Decree, Evangeline shall retain, and shall instruct its contractors and agents to preserve, all non-identical copies of all documents, records, or other information (including documents, records, or other information in electronic form) in its or its contractors' or agents' possession or control, or that come into its or its contractors' or agents' possession or control, and that relate in any manner to Evangeline's performance of its obligations under this Consent Decree. This information-retention requirement shall apply regardless of any contrary corporate or institutional policies or procedures. At any time during this information-retention period, upon request by the United

States or LDEQ, Evangeline shall provide copies of any documents, records, or other information required to be maintained under this Paragraph.

70. At the conclusion of the information-retention period provided in the preceding Paragraph, Evangeline shall notify the United States and LDEQ at least 90 Days prior to the destruction of any documents, records, or other information subject to the requirements of the preceding Paragraph and, upon request by the United States or LDEQ, Evangeline shall deliver any such documents, records, or other information to EPA or LDEQ. Evangeline may assert that certain documents, records, or other information is privileged under the attorney-client privilege or any other privilege recognized by federal law. If Evangeline asserts such a privilege, it shall provide the following: (a) the title of the document, record, or information; (b) the date of the document, record, or information; (c) the name and title of each author of the document, record, or information; (d) the name and title of each addressee and recipient; (e) a description of the subject of the document, record, or information; and (f) the privilege asserted by Evangeline. However, Evangeline may make no claims of privilege or protection regarding any documents, records, or other information created or generated pursuant to the requirements of this Consent Decree.

71. Evangeline may also assert that information required to be provided under this Section is protected as Confidential Business Information (“CBI”) under 40 C.F.R. Part 2. As to any information that Evangeline seeks to protect as CBI, Evangeline shall follow the procedures set forth in 40 C.F.R. Part 2. To assert that records, data or other information required to be submitted to LDEQ is entitled to be protected as confidential, Evangeline shall follow the law

and procedures as set forth in the applicable provisions of La. R.S. 30:2030; La. R.S. 2074.D; and LAC 33:I. Chapter 5.

72. This Consent Decree in no way limits or affects any right of entry and inspection, or any right to obtain information, held by the United States or LDEQ pursuant to applicable federal or state laws, regulations, or permits, nor does it limit or affect any duty or obligation of Evangeline to maintain documents, records, or other information imposed by applicable federal or state laws, regulations, or permits.

XII. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

73. This Consent Decree resolves the civil claims of the United States and LDEQ for the violations alleged in the Complaint filed in this action through the Date of Lodging.

74. The United States and LDEQ reserve all legal and equitable remedies available to enforce the provisions of this Consent Decree. This Consent Decree shall not be construed to limit the rights of the United States or LDEQ to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal or state laws, regulations, or permit conditions. The United States and LDEQ further reserve all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising at, or posed by, Evangeline's Facility, whether related to the violations addressed in this Consent Decree or otherwise.

75. In any subsequent administrative or judicial proceeding initiated by the United States or LDEQ for injunctive relief, civil penalties, criminal actions, or other appropriate relief relating to the Evangeline's Facility, Evangeline shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue

preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or LDEQ in the subsequent proceeding were or should have been brought in the instant case, except with respect to claims that have been specifically resolved pursuant to Paragraph 73.

76. This Consent Decree is not a permit, or a modification of any permit, under any federal, State, or local laws or regulations. Evangeline is responsible for achieving and maintaining complete compliance with all applicable federal, State, and local laws, regulations, and permits; and Evangeline's compliance with this Consent Decree shall be no defense to any action commenced pursuant to any such laws, regulations, or permits, except as set forth herein. The United States and LDEQ do not, by their consent to the entry of this Consent Decree, warrant or aver in any manner that Evangeline's compliance with any aspect of this Consent Decree will result in compliance with provisions of the CWA, 33 U.S.C. § 1251, *et seq.*, or with any other provisions of federal, State, or local laws, regulations, or permits.

77. This Consent Decree does not limit or affect the rights of Evangeline or of the United States or LDEQ against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Evangeline, except as otherwise provided by law.

78. This Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Decree.

79. Notwithstanding any other provision of this Consent Decree, if the financial information provided by Evangeline, or the financial certification contained in Paragraph 80 of this Consent Decree made by Evangeline in signing this Consent Decree, is subsequently

determined by the United States or LDEQ to be, in any material respect, false or inaccurate, Evangeline shall forfeit all payments made pursuant to this Consent Decree, and the resolution of liability provided by Paragraph 73 shall be null and void as to Evangeline. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United States' or LDEQ's right to pursue any other causes of action arising from Evangeline's materially false or inaccurate information.

80. Evangeline hereby certifies that, to the best of Evangeline's knowledge and belief, after thorough inquiry, Evangeline has: submitted to the United States and LDEQ financial information that fairly, accurately and materially sets forth Evangeline's financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to the United States and LDEQ and the time Evangeline executes this Consent Decree.

XIII. COSTS

81. The Parties shall bear their own costs of this action, including attorneys' fees, except that the United States and LDEQ shall be entitled to collect the costs (including attorneys' fees) incurred in any action necessary to collect any portion of the civil penalty or any stipulated penalties due but not paid by Evangeline.

84. Any Party may, by written notice to the other Parties, change its designated notice recipient or notice address provided above.

85. Notices submitted pursuant to this Section shall be deemed submitted upon mailing, unless otherwise provided in this Consent Decree or by mutual agreement of the Parties in writing.

XV. EFFECTIVE DATE

86. The Effective Date of this Consent Decree shall be the date upon which this Consent Decree is entered by the Court or a motion to enter the Consent Decree is granted, whichever occurs first, as recorded on the Court's docket.

XVI. RETENTION OF JURISDICTION

87. The Court shall retain jurisdiction over this case until termination of this Consent Decree, for the purpose of resolving disputes arising under this Decree or entering orders

modifying this Decree, pursuant to Sections X (Dispute Resolution) and XVII (Modification), or effectuating or enforcing compliance with the terms of this Decree.

XVII. MODIFICATION

88. The terms of this Consent Decree, including any attached appendices, may be modified only by a subsequent written agreement signed by all the Parties. Where the modification constitutes a material change to this Decree, it shall be effective only upon approval by the Court.

89. Any disputes concerning modification of this Decree shall be resolved pursuant to Section X (Dispute Resolution), provided, however, that, instead of the burden of proof provided by Paragraph 65, the Party seeking the modification bears the burden of demonstrating that it is entitled to the requested modification in accordance with Federal Rule of Civil Procedure 60(b).

XVIII. TERMINATION

90. After Evangeline has completed the requirements of Section V (Compliance Requirements), Section VI (Permits), Section VII (Recordkeeping and Reporting Requirements), and has thereafter for a period of 23 months maintained continuous compliance with this Consent Decree and has paid the civil penalty and any accrued stipulated penalties and all accrued interest thereon, as required by Sections IV (Civil Penalty) and VIII (Stipulated Penalties), Evangeline may serve upon the United States and LDEQ a Request for Termination of this Consent Decree, stating that Evangeline has satisfied those requirements, together with all necessary supporting documentation.

91. If Evangeline permanently closes the Facility, in accordance with Paragraph 23, and has paid the civil penalty and any accrued stipulated penalties and all accrued interest

thereon, as required by Sections IV (Civil Penalty) and VIII (Stipulated Penalties), Evangeline may serve a Request for Termination of this Consent Decree, stating that Evangeline has satisfied those requirements, together with all necessary supporting documentation.

92. Following receipt by the United States and LDEQ of Evangeline's Request for Termination, the Parties shall confer informally concerning the Request and any disagreement that the Parties may have as to whether Evangeline has satisfactorily complied with the requirements for termination of this Consent Decree. If the United States after consultation with LDEQ agrees that the Decree may be terminated, the Parties shall submit, for the Court's approval, a joint stipulation terminating the Decree.

93. If the United States after consultation with LDEQ does not agree that the Decree may be terminated, Evangeline may invoke Dispute Resolution under Section X. However, Evangeline shall not seek Dispute Resolution of any dispute regarding termination until 60 Days after service of its Request for Termination.

XIX. PUBLIC PARTICIPATION

94. This Consent Decree shall be lodged with the Court for a period of not less than 30 Days for public notice and comment in accordance with 28 C.F.R. § 50.7. The United States reserves the right to withdraw or withhold its consent if the comments regarding the Consent Decree disclose facts or considerations indicating that the Consent Decree is inappropriate, improper, or inadequate. Evangeline consents to entry of this Consent Decree without further notice and agrees not to withdraw from or oppose entry of this Consent Decree by the Court or to challenge any provision of the Decree, unless the United States has notified Evangeline in writing that it no longer supports entry of the Decree.

95. The Parties agree and acknowledge that final approval by LDEQ and entry of this Consent Decree is subject to the requirements of La. R.S. 30:2050.7, which provides for public notice of the Consent Decree in newspapers of general circulation and the official journal of the parish in which Evangeline's Facility is located, an opportunity for public comment of not less than 45 days, consideration of any comments, and concurrence by the State Attorney General. Evidence of final approval of this Consent Decree by LDEQ shall be LDEQ's execution of a Motion to Enter the Consent Decree, and LDEQ reserves the right to withdraw or withhold consent based on information provided during the public comment period. In the event public comments raise issues over the content or terms of the Consent Decree, LDEQ, may withdraw from this Consent Decree and will not join in the filing of a Motion to Enter the Consent Decree.

XX. SIGNATORIES/SERVICE

96. Each undersigned representative of Evangeline, LDEQ and the Assistant Attorney General for the Environment and Natural Resources Division of the Department of Justice certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Decree and to execute and legally bind the Party he or she represents to this document.

97. This Consent Decree may be signed in counterparts, and its validity shall not be challenged on that basis. Evangeline agrees to accept service of process by mail with respect to all matters arising under or relating to this Consent Decree and to waive the formal service requirements set forth in Rules 4 and 5 of the Federal Rules of Civil Procedure and any applicable Local Rules of this Court including, but not limited to, service of a summons. Evangeline need not file an answer to the complaint in this action unless or until the Court expressly declines to enter this Consent Decree.

XXI. INTEGRATION/APPENDICES

98. This Consent Decree constitutes the final, complete, and exclusive agreement and understanding among the Parties with respect to the settlement embodied in the Decree and supersedes all prior agreements and understandings, whether oral or written, concerning the settlement embodied herein. Other than deliverables that are subsequently submitted and approved pursuant to this Decree, the Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Decree.

99. There are no appendices attached to this Consent Decree.

XXII. FINAL JUDGMENT

100. Upon approval and entry of this Consent Decree by the Court, this Consent Decree shall constitute a final judgment of the Court as to the United States, LDEQ, and Evangeline.
